ALMA MATER

In Georgia where the mountains blue
Are pointing toward the sky,
There stands our Alma Mater dear,
There's where our hearts all lie.

We're true to thee, dear Y. H. C.
Thy fame is our delight,
We hail thee, Alma Mater, dear,
Thy Purple and thy White.

Though time may pass o'er these dear halls
We'll still come back to thee,
And still we'll cherish memories of
Our days at Y. H. C.

We're true to thee, dear Y. H. C.
Thy fame is our delight,
We hail thee, Alma Mater, dear,
Thy Purple and thy White.

Y. H. D. S. SONG

I pledge my heart to thee,
Dear old Y. H. D. S.
And true I'll ever be,
To the brothers of the best,
Whether winning or losing,
You're still to my choosing,
The best in Y. H. C.

May your glory forever live,
And your brothers only give,
Of the best within their souls,
To reach our fondest goal,
And we ere behold
Our royal Purple and Gold.

SUSAN B. HARRIS SONG

Susan B., I pledge to thee
All my heart and loyalty.
I am for thee ever
Striving to endeavor.
On my honor I will be, always
Faithful to the pledge we made to thee.
May the love we have for thee ever
Be a guiding star to those we love,
The Y. H. D. S. are our Comrades,
The purple and gold we behold.
I will ever be so true, always
Singing praise to our dear College Days.

CEBEL GILSTRAP

Several years ago the Alpha Honor Society was one of the most active organizations on the campus. Recently it has diminished greatly, both in size and in activity. Maintenance of a ninety average for three consecutive quarters is the qualification for membership. Surely there are enough students on the campus who have sufficient interest in their scholastic record to meet this qualification, thus re-activating one of the most worthwhile organizations on the campus.

NOTE OF APPRECIATION

We want to express our sincere thanks to the Student Body for your cooperation with us in putting out the 1947 ENOTAH. Your contributions in advertisements and snapshots have been invaluable.

To the members of the staff, the faculty advisor, and the student volunteers we say: "Without your long hours of tedious and tiring effort this publication would have been impossible."
