### Student Senate

The Student Senate is the student government of YHC. It is a mediator between the administration and the student body. It provides various activities throughout the year such as dances, films, socials, and special dinners.

The Student Senate is composed of 36 members - 5 officers, 24 senators, and 7 freshmen. The 5 officers are president, vice-president, secretary, treasurer, and sergeant-at-arms. The 24 senators consist of 20 on-campus sophomores - 10 males and 10 females - and 4 off-campus sophomores - 2 males and 2 females. The freshmen on the Senate will be the Freshmen Board members which is made up of seven freshmen elected by the freshmen class.

This year the Student Senate hopes to get more students involved in the activities of Young Harris College. The Senate wants to be a spokesman for the student body. If a student has a suggestion, they are encouraged to share it with the Senate. Many activities have been planned for the year. The Senate hopes everyone will take part and enjoy them.

Beth Martenn,  
President

As I president of the Student Senate, I would like to welcome all new students to Young Harris College. For most of you this is a new experience and one you will always remember.

There will be many opportunities for you to take advantage of these first few days. I know how hectic things will be - trying to make a four wall enclosure "home", getting acquainted with your roommate, registering, etc. Don't despair! There are some less tedious, even enjoyable, activities ahead, such as rush parties, auditions, and convos. These are all held for your benefit. It will be to your advantage to participate.

Also, keep in mind that the second-year students that greeted you upon your arrival are here to assist you. Don't be afraid to ask for any information.

With your cooperation and the experience of the sophomore class, I hope to make this a memorable year at Young Harris College. Again, I extend to you a hearty welcome and wish you all the best of luck. I promise you will survive!!

# Student Senate Activities

## LYRICS

This Friday night your Student Senate is sponsoring a dance at 9:00. The band performing will be LYRICS.

LYRICS consists of five of the hard working people, four versatile musicians and an at-

tractive female vocalist. This compact package of entertainment projects any style of

music from rock to beach standards to the latest disco and top forty.

## Let's Go to the Movies

The scene was set, the curtain opened, and thirty to sixty students (female and male) cried during the movie on Saturday, January 16.

The movie, Kramer vs. Kramer, was one of the best things the student Senate has done for the students in the past two year.

I would just like to say thank you very much, Student Senate, for the movie.

This type of entertainment is fantastic. It is what we need more than often on this sometimes dull and boring campus. (On weekend nights.) It was much better walking to a first rate movie showing in Clegg than driving to Murphy or Andrews.

I would guess that there were about one hundred and seventy-five people present for the showing. This obviously shows the amount of interest in having movies.

I would just like to close in saying, "Please get more!"

## Freshmen Board Elections

by Renee Brown

On Wednesday, October 14, the YHC freshmen elected their class officers. Each nominee faced tough competition with fifteen candidates in the running.

After a week of putting up signs, passing out fliers and vigorous campaigning, the decision was made. The 1981-82 Freshmen Board members are: President -

Darla Harmon; Vice-President - Jim Davis; Secretary - Jane Hamilton; Treasurer - Laura Brannen; Sargeant-At-Arms - Chris Chambers; Male Representative - Michael Cleveland; and Female Representative - Tracy Potts.

On behave of the Enotah Echoes, I would like to congratulate all the new officers and wish them the best of luck.

## Campus Clean-Up

The beauty of the Young Harris College Campus is definitely one of the most important assets this school has. But no matter how gorgeous the natural surroundings are, a messy campus can ruin the whole effect.

Since the beginning of the school year this campus has been in a deplorable state. People have been ignoring the numerous trashcans placed around campus, and dropping their candy wrappers, empty bottles and cans directly onto the ground. There is no excuse for this.

This coming week the members of the Student Senate will hold this year's first Campus Clean-Up. In the past, this effort by the senators to neaten-up the place has proven very successful. Yet, if people would deposit of their trash in a more civilized manner there would be no need for a campus clean-up by any organization.

There are trash cans outdoors and indoors (if not in the lobbies, then in the classrooms and offices.) These are located on campus for a purpose. Please take advantage of them.

For now, this is our home; where we must work, live and play. Help make it a home we can be proud of.

Getting involved is a must at YHC. This college offers so much that nobody should be bored at anytime. By becoming a member of something, one becomes a true member of the YHC family.

Most people (especially freshmen) probably find that deciding which organization to join and how many to join is a very diffucult task. Deciding is hard, but once you've made the decision stick with it! Give your all to that group or groups. Make every organization you're in the best it can possibly be.

The Freshmen board elections are coming up soon. I would like to encourage all interested freshmen to run. The offices include president, vice-president, secretary, treasurer, sergent-at-arms, male and female representatives. The board's main objective is the spring formal given in honor of the sophomores.

So, make up your minds about which clubs to join. No matter what you choose to do make sure you do something. Involvement is the key to success at YHC.

I would like to welcome the prospective students and their parents. This weekend is an annual event especially planned to introduce you to Young Harris College.

While in my Senior year of high school, I attended a Prospective Student's Weekend here and found it very beneficial. I got a chance to know the area, the administrative personnel and, most importantly, the students. There is no one more capable of showing you Young Harris College than the student tour guides. They have experienced a year of YHC, and are qualified to share with you the many ups and downs of a freshman year at college. Through talking with them last year, I got an idea of what to expect upon entering college.

There are many activities planned for you, both the student and his/her parents, and I hope that you will take advantage of all of these. Also, please take time out of your busy day to enjoy the natural surroundings that are just one of Young Harris' many assets.

Once again, I would like to welcome all of you and hope you enjoy your stay.

In the previous issue of the Enotah Echoes, I talked about the deplorable state of this campus. This week I would like to once again discuss the lack of effort used in keeping the dorms in a liveable condition.

I like to think of my dormitory as my home throughout the school year. The lobby, TV room, and the study room are considered my living room, den and study. I would like to entertain guests in my home, but I am embarrassed for anyone to see it. There are foodwrappers, bottles and cans, and other debris covering the furniture and floor area.

This is, by far, nothing compared to the misplacement of cigarette butts. Now, I don't know what you do with cigarette ashes and butts in your home, but at mine there are little, shallow cups with grooves along the top specifically for the placement of a cigarette during and after the smoking of it. These are called ashtrays. If you will look real careful like you will find these cute little contraptions in virtually every open room in every building on campus. The hallways, staircases, phonebooths, and water fountains are not the places for ashes and used cigarettes. I am not against people who smoke, but when you start abusing my home, your habit becomes my business.

Please pay more attention as to where you leave your dirt. This is your "house" too, and I would like to be able to be proud of it.

I hope everyone is enjoying the quarter so far. Student Senate has several more activities planned for this quarter. The Miss YHC Scholarship pageant is tomorrow, and I hope everyone will attend. On February 14, we will have a Valentine Social in the bottom of Sharp. Also, various convocations are being offered which will be of interest to many.

I hope everyone that went to the dance and to the movie liked them both. We are organizing more for next quarter. If anyone has a suggestion, problem, or question about anything Student Senate does or should do, please talk to me or another member of the senate. We welcome your thoughts and or your attendance at the meetings. Good luck with the rest of the quarter.

As the night grew to a close, the tension and anxieties grew also. The question everyone in Clegg was pondering -- "who will be the next Miss Young Harris College?"

After the contestants competed their talent, swimsuit, and evening gown competitions, the judges had to cast their ballots and the ballots were then calculated. The moment everyone had been waiting for, had finally arrived.

First of all, Miss Georgia, Kristl Anne Evans, announced the winners of the Miss Congeniality and the Talent Awards. The contestants had voted previously on who they thought should receive the Miss Congeniality plaque. Their choice was Miss Josie Brooks. Next, Miss Pamela Cobb was presented as the Talent Award recipient.

Secondly, Miss Evans assisted by Miss Peggy Hannah, Miss Young Harris 1981-82, announced that Josie

Brooks was the second runner-up. Josie, a sophomore from Stone Mountain, is a member of Sigma Beta Sigma sorority and holds the title of Miss Susan B. for Upsilon Delta Sigma fraternity. Miss Brooks intends to pursue a career in the field of Religion. Josie sang a delightful tune from Peter Pan, "I Gotta Crow." Josie received a \$100 scholarship, a silver bowl, and six red roses.

Next, Miss Evans presented to the audience the first runner-up: Rene Allen. Rene, a freshman from Valdosta, is a member of Sigma Beta Sigma sorority. Miss Allen intends to obtain a degree in Business. Rene performed a stunning dance to "New York, New York." Rene received a \$250 scholarship, a silver bowl, and six red roses.

Last, but certainly not least, the moment everyone had been anticipating arrived. Miss Hanna crowned: Pamela J. Cobb, Miss Young Harris College 1982-83. Pamela, a

sophomore from Hampton, is member of Sigma Beta Sigma sorority, Delta Gamma, Delta Psi Omega National Dramatics fraternity, and Student Senate. Pamela is intending to attend Florida State University next and achieve a degree in Dramatics Arts.

Pamela received a \$500 scholarship, an engraved silver tray, and a dozen red roses. Miss Cobb will represent Young Harris College in many events around the state. She will also be competing in the Miss Georgia Pageant, June 16-19. Who knows? Pamela may go all the way to Atlantic City.

Miss Cobb had these comments about Kristl and the pageant, "Kristl was fantastic! She didn't act like she was something great. She made all us girls feel at ease. I think the pageant went very smooth."

The Enotah Echoes feels that the Student Senate did a fine job with the pageant. The theme, "When We're Happy", was very appropriate for this special event. The Echoes also feels that Miss Georgia, Kristl Anne Evans, did a superb job as emcee and entertaining the audience. She was very funny with a bubbling personality and added a special glow to the stage. Miss Evans entertained with various numbers that earned her the titles of Miss Georgia and Second Runner-up in the Miss America Pageant.

The Enotah Echoes would like to extend a warm congratulations to the winners and the contestants of the pageant. Also, thanks to the Student Senate for a fabulous evening. And finally, the best of luck and "break a leg" to Pamela Cobb when she competes in the Miss Georgia Pageant and maybe more!

## New Sidewalk

Have you noticed the new sidewalk from the Tennis Courts to the bridge? Thanks to our Student Senate, we no longer have to trample through the mud in order to get to the softball and football fields.

Each year Student Senate takes on a project which will

add to the benefit of the campus. This year's choice of sidewalk is a greatly appreciated improvement. The work was completed over Spring Break, just in time to take us to the softball games down at Rivers Field.

Again, thank you, Student Senate, for the sidewalk!

## Prez Sez

With the end of Winter Quarter right around the corner, everyone is looking towards finals and Spring break. Well, let's look further than that; let's look at Spring Quarter.

Winter Quarter always seems to bring the "Winter Blues." The bad weather, the sickness, the dragging classes, and the sit-in-your-room-because-it's-too-cold-outside attitude all contribute to this situation. A sense of apathy seems to prevail around the campus. Everything almost comes to a stand still. But, cheer up and set your sights on the future. With the end of Winter Quarter comes the beginning of Spring.

Spring brings warm weather and clear skies (maybe). YHC campus will turn into a resort - people outside playing, sitting on the wall, sunbathing, perhaps even studying. A new attitude takes over.

Let's make the best of this attitude. Put your best into everything you are involved with; make your organization one that everyone will admire and wish they were a part of. Don't let the apathy of this quarter spill over into next quarter. For the sophomores this will be our last quarter at YHC, so we need to do things right. For the freshmen, you will have to do it next year as leaders so you need to learn how to do it right. Get involved and be a part of all the activities of Spring Quarter.

Student Senate has a dance scheduled for the first weekend we are back after Spring Vacation. I hope everyone will plan to come. The band will be BRAZEN. There are other activities planned throughout the quarter, also.

So, let's make the best of Spring Quarter and let the "Winter Blues" be gone. Good luck on your finals!

## Student Senate Election

Student Senate is an organization made up of representatives of the student body that serves as a student government. It establishes student activities, works on campus improvement, and serves as the voice of the student body. Student senate serves an important function on this campus. It consists of five (5) executive officers and sixteen (16) members. The officers are president, vice-president, secretary, treasurer, and sergeant-at-arms. The members consists of eight (8) males and eight (8) females of which two are commuters. The elections for these positions are coming up soon.

Elections for officers will be held first, and elections for senators will be held two weeks later. Anyone wishing to run must turn in a letter of intent to Dr. Hale. This is simply a statement signifying one's name and the office he intends to run for. Persons will then be nominated at the next student senate meeting. The campaigns will begin the following day, continuing until the election day. The elected persons will take office three weeks prior to the end of Spring quarter.

In order to hold a position on student senate, a person must have at least a 2.0 for all courses taken prior to his nomination. He must also have been enrolled at Young Harris College one quarter preceding his nomination.

Below are the important dates for the upcoming elections:

- April 13 -- letters of intent for officers due.
- April 14 -- nominations for officers.
- April 21 -- elections for officers.
- April 27 -- letters of intent for senators due.
- April 28 -- nominations for senators.
- May 5 -- elections for senators.

I would like to encourage people to give this a lot of thought and to run for these positions. Student senate should represent the entire campus; we need people from all areas of the campus. Also, I'd like to encourage everyone to vote. The entire student body (freshman and sophomores) will be entitled to vote. And remember, the people who are elected now will run the student government, will plan the student activities, and will be the voice of the student body for next year.
