A FACE IN THE CROWD

A FACE IN THE CROWD is an old cliché usually used in describing a lost person in a sea of faces. But as one wanders toward the rolling hills of North Georgia, the “sea” turns into tiny streams. By the time they reach YHC, each individual face is clearly seen.

1/20/01

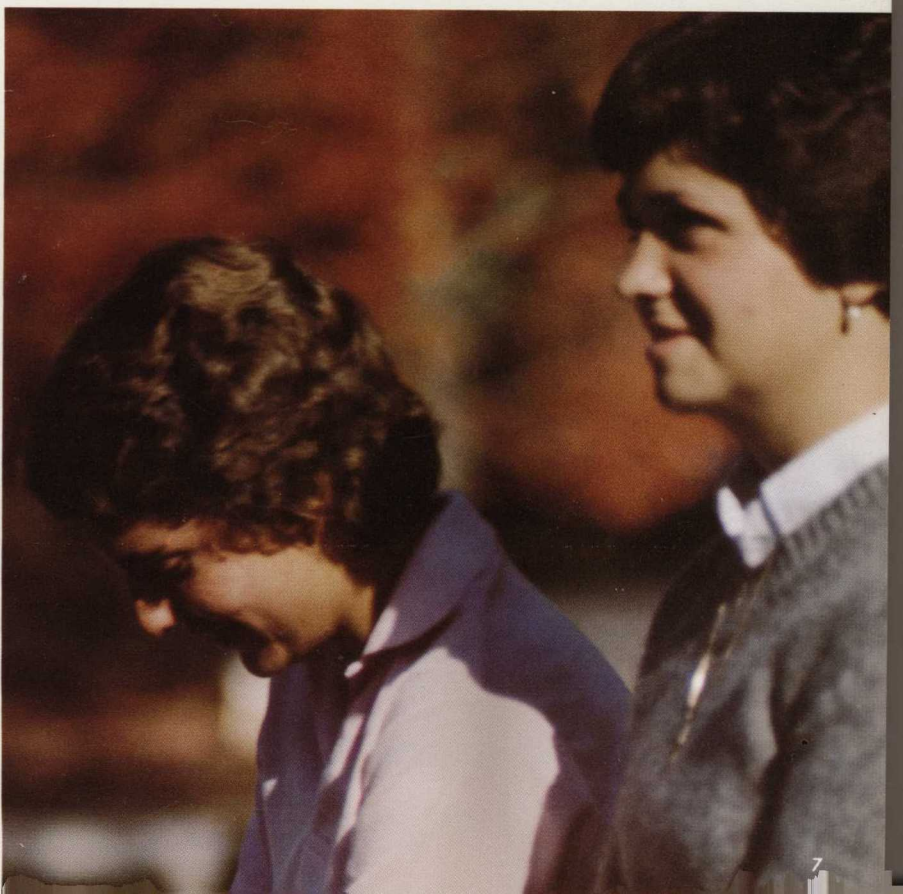

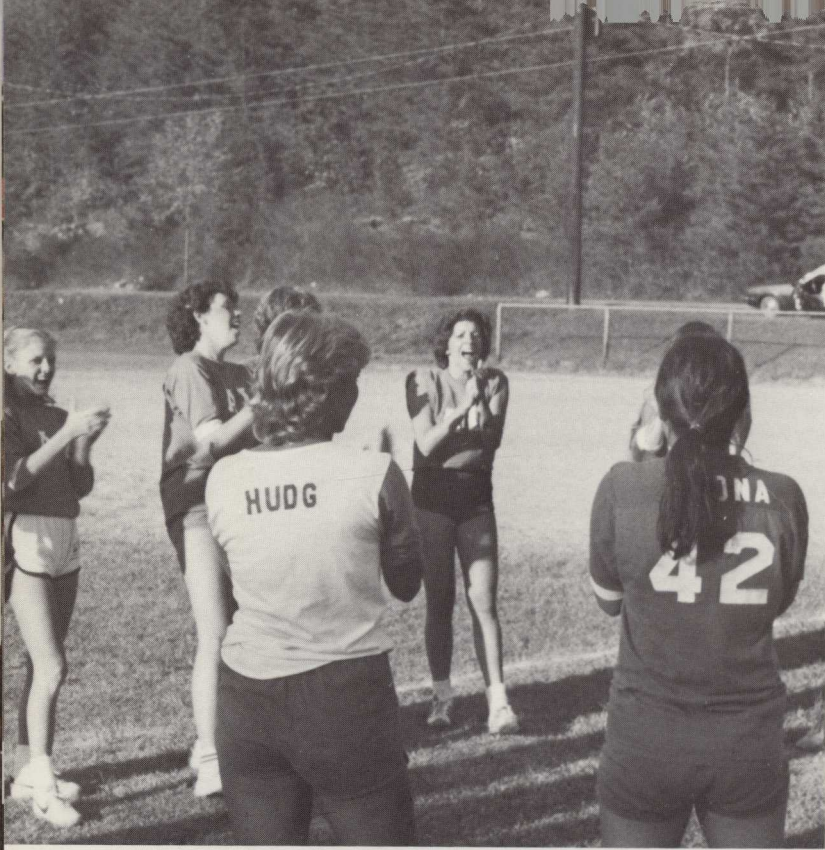

The human face displays many emotions. The emotion of happiness is produced by the curling of lips and the gleaming of teeth. It may be caused by passing a final, getting a date, being formalized, or eating pizza.

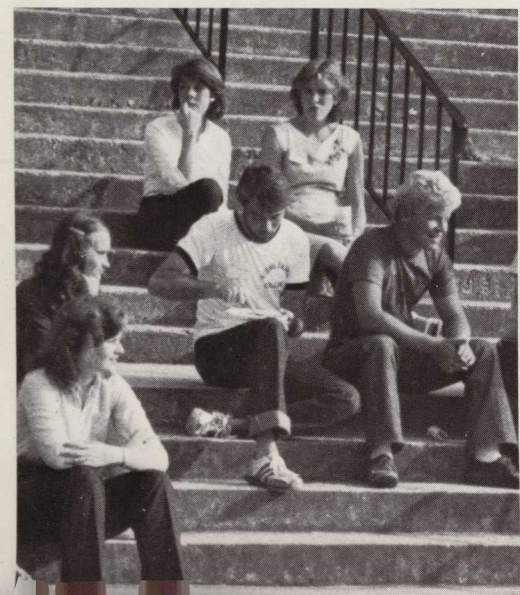

Hope is not really an emotion of the face; it is one of the heart, but it can be seen in closed eyes, a bowed head, and folded hands.

One of the most beautiful emotions is concern. It is so beautiful that one cannot describe it, only see it — in helping a friend study, feeding a stray dog, or taking supper to a sick friend.

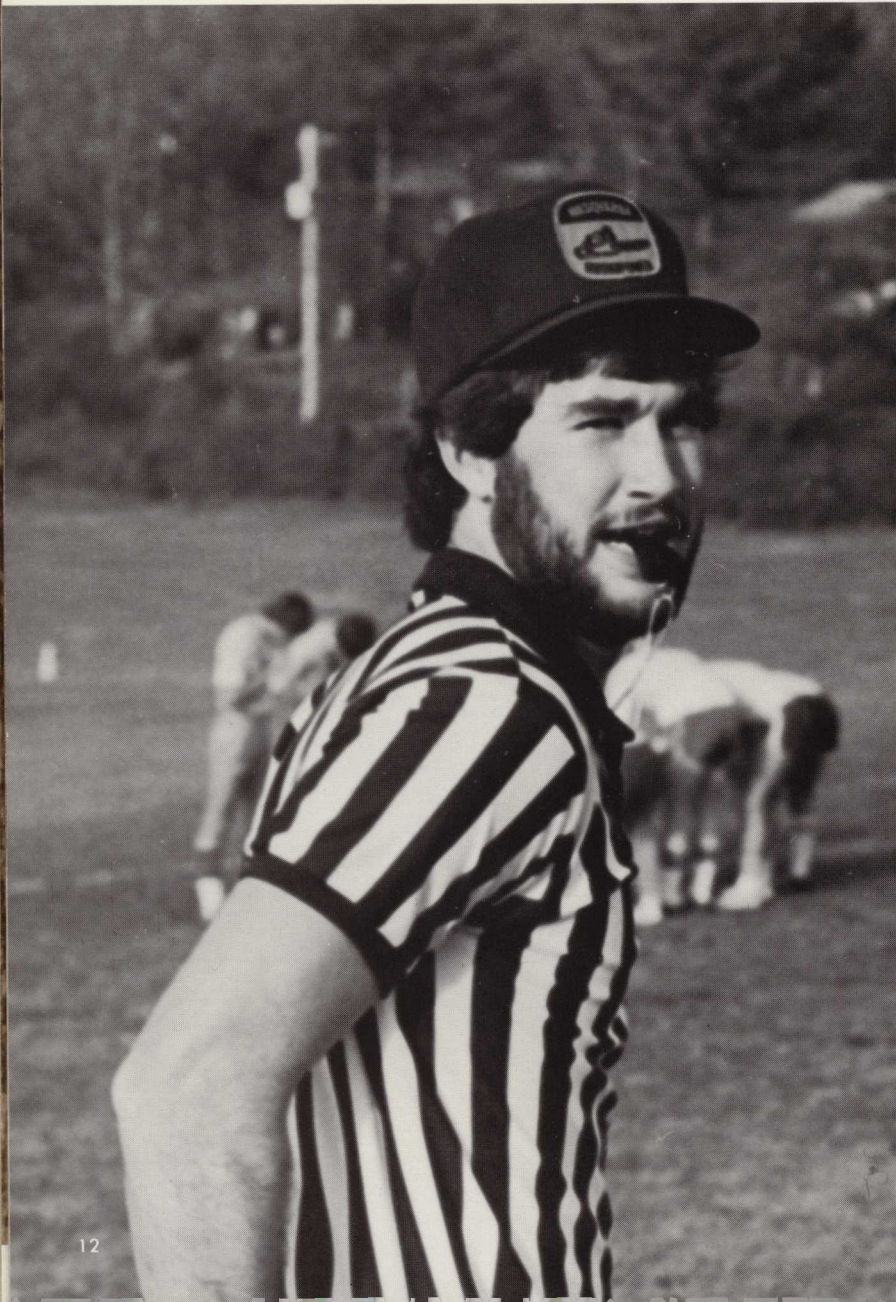

Anticipation can be seen in the bulging of the eyes and a tiny sneer at the corner of the mouth. It is shown when reaching for home plate, waiting for the end of class, or searching for that someone special.

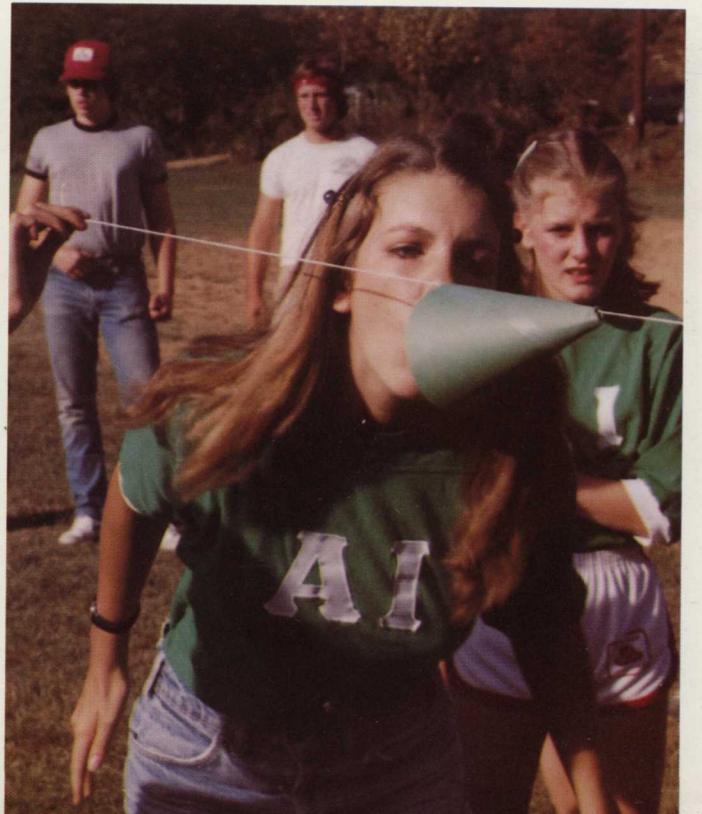

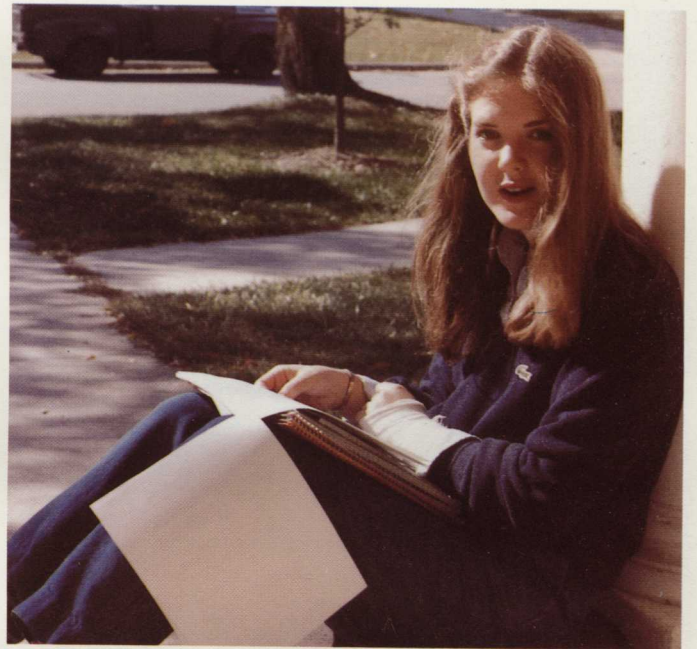

Anger is perhaps the least frequently seen emotion because no sooner do the teeth begin to grind than the situation is solved.

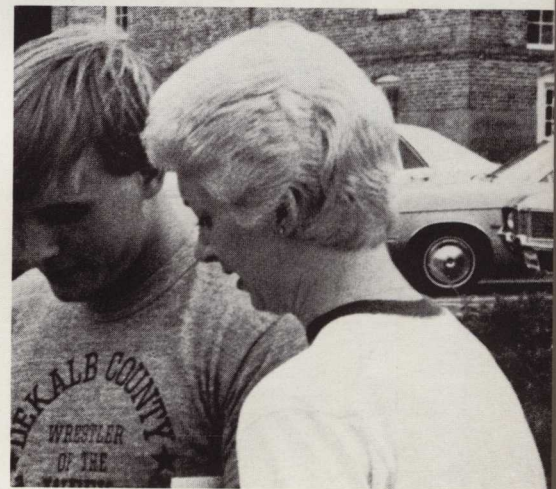

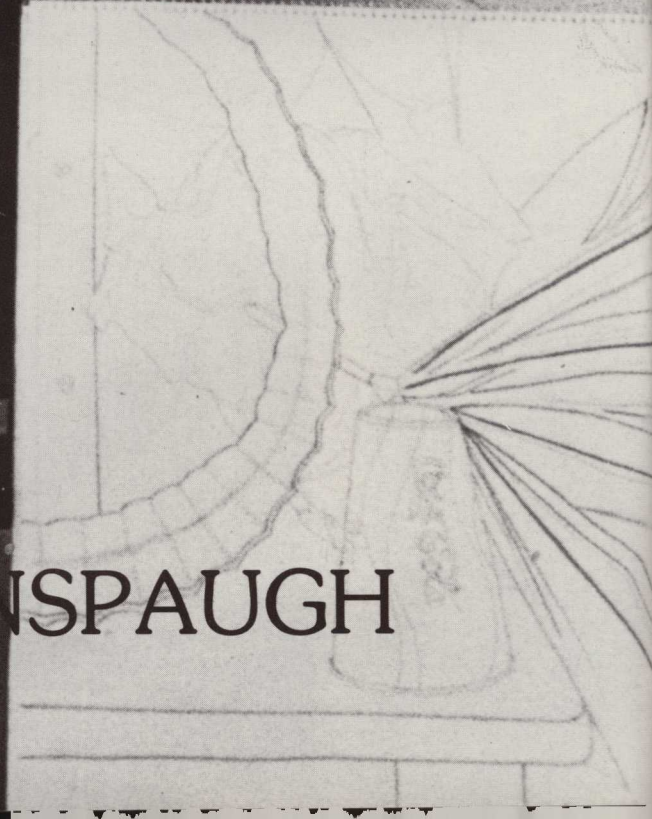

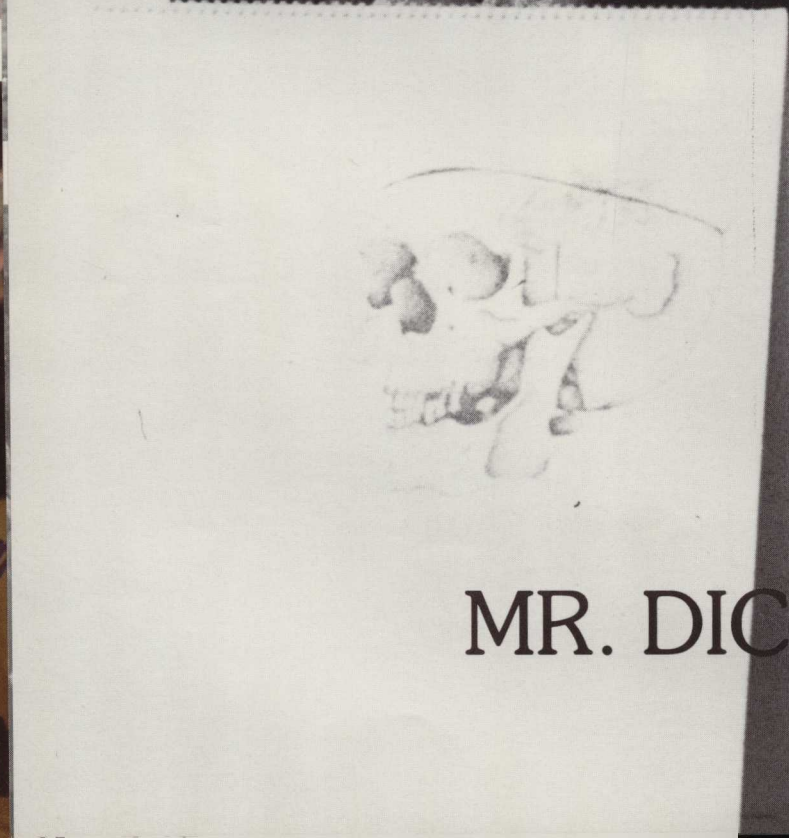

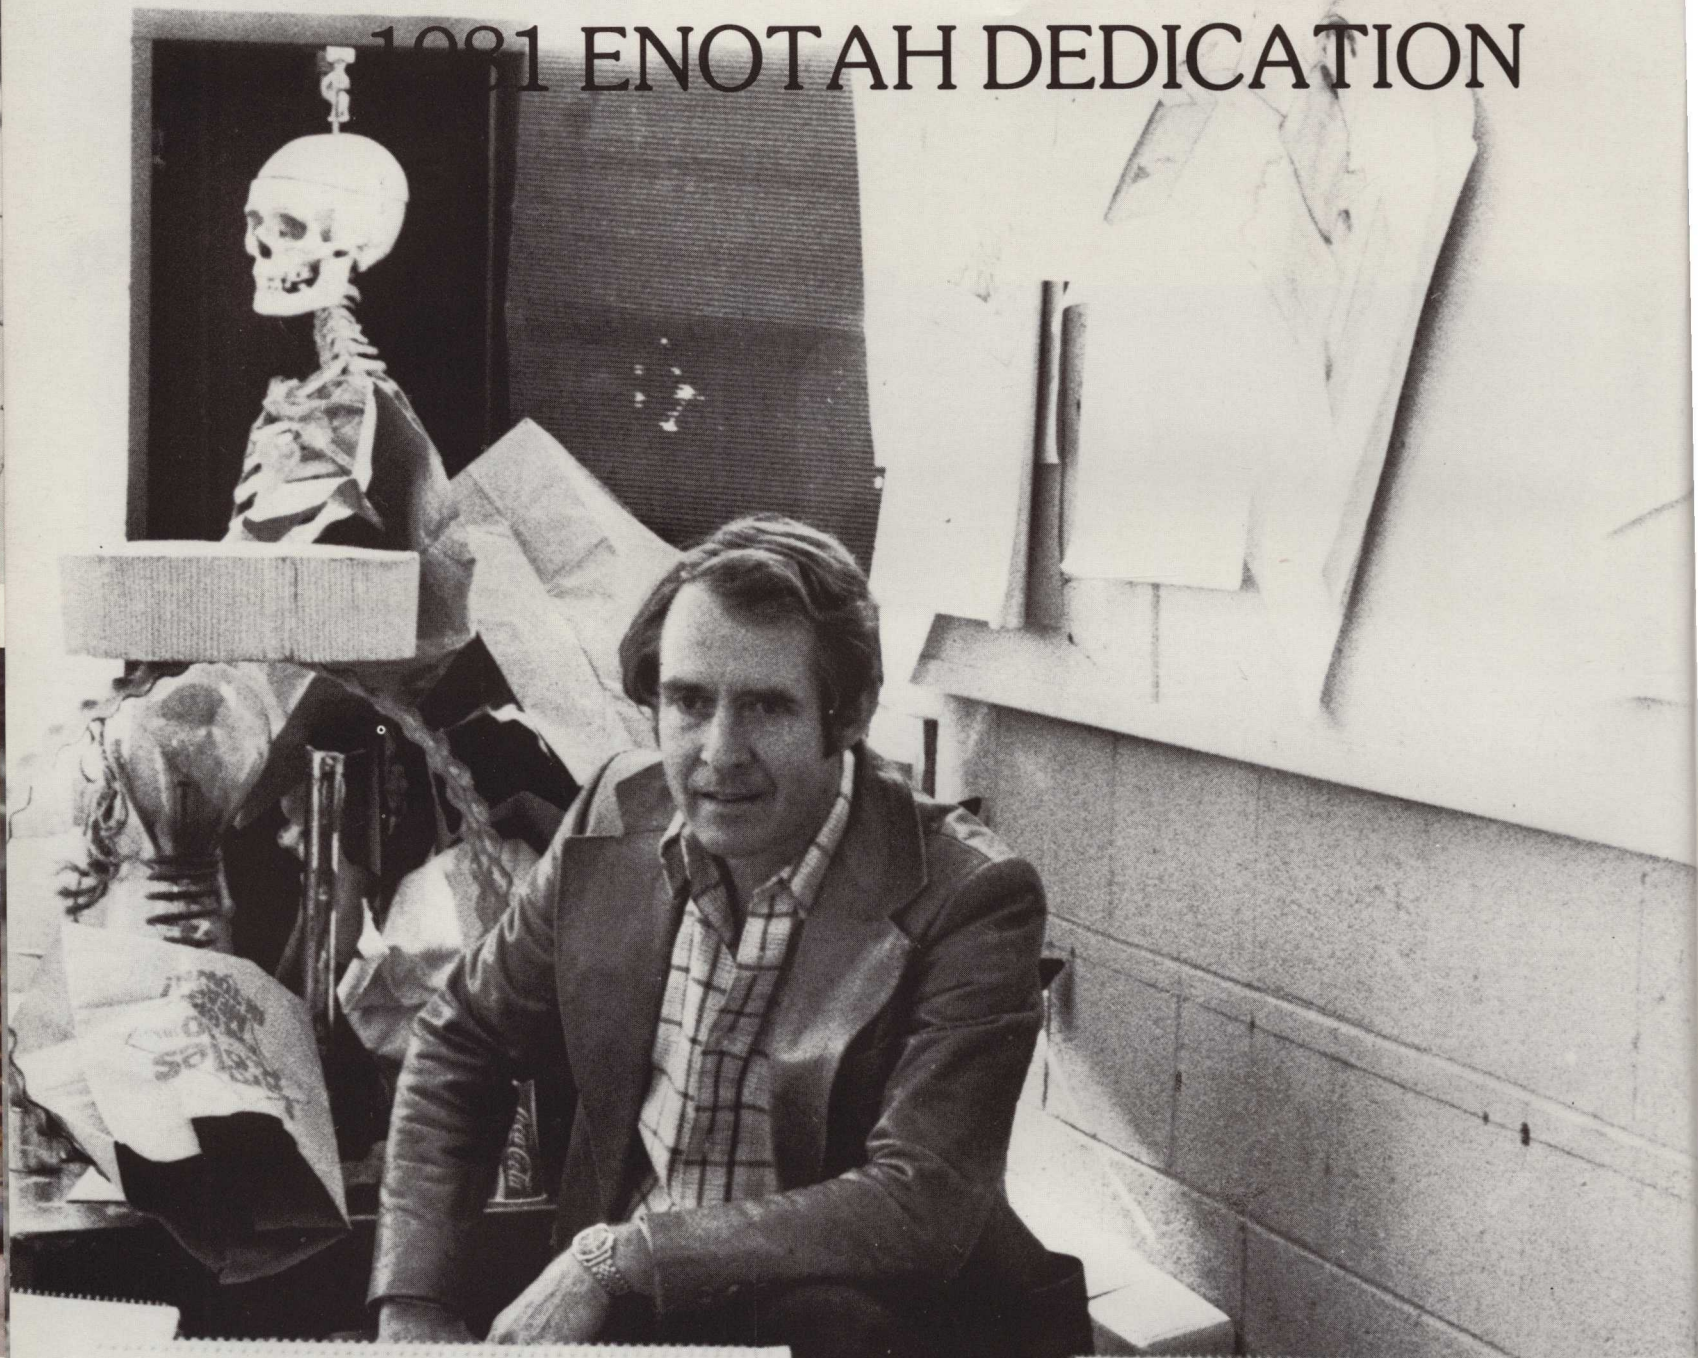

Pride in our college and friends is revealed by the twinkling of the eyes. This same twinkle often accompanies the emotion of love which is seen in holding hands, a friendly hug, late-night conversation, and letters from home.

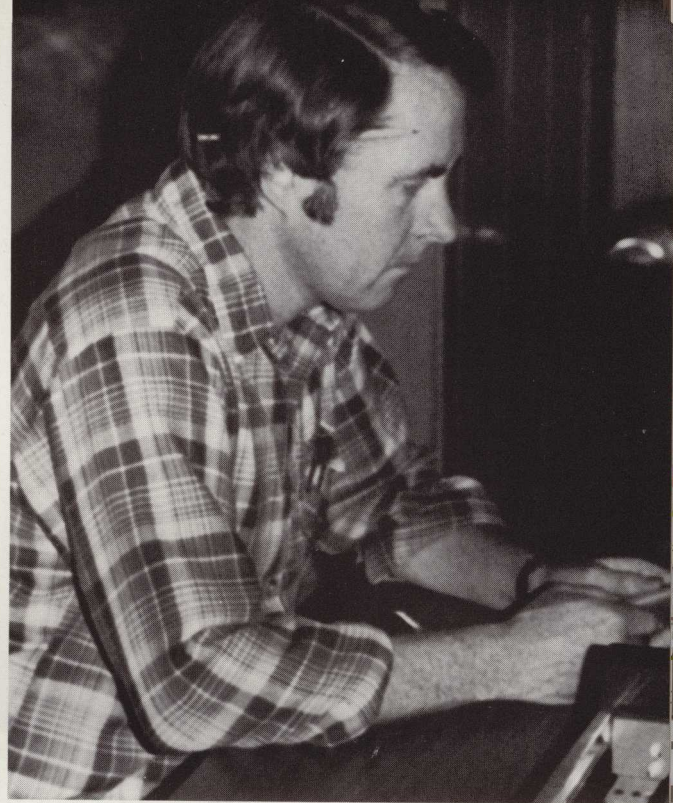

Excitement expels a radiant glow from the cheeks which are pushed up by an ever-expanding smile that crosses the face when the weekend comes, when the championship is won, and when you find that you are more than A FACE IN THE CROWD.

1981 ENOTAH DEDICATION

MR. DICK AUNSPAUGH

The 1981-82 *Enotah* is proudly dedicated to Mr. Dick Aunspaugh.

We take pleasure in dedicating the 1981-82 *Enotah* to Mr. Richard Aunspaugh as a tribute to his many years of dedication to Young Harris — the college and community. Mr. Aunspaugh has been a very active member of the Young Harris faculty, holding the position of advisor to the Art Students' League and advisor to the *Enotah* for eight years. Mr. Aunspaugh's talents in art and photography have helped to produce numbers of annuals that Young Harris College is proud of.

Mr. Aunspaugh is not only active on campus, but he, his wife, Marcia, and son, Jason, are major contributors to the community. They are active members of Sharp Memorial Church. Mr. Aunspaugh also volunteers his time to the Young Harris Fire Department. The Aunspaugh family, including their new puppy, Yoda, is a great asset to all of Young Harris.

It is with great pride and sincerity that we dedicate the 1981-82 *Enotah* to Mr. Aunspaugh.

FAMILIAR

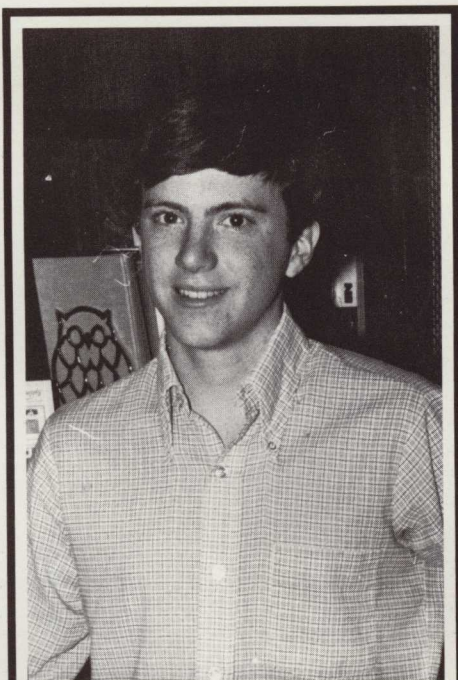

The second-year students at YHC are familiar to the faculty, members of the community and each other. The freshmen quickly became familiar with them through the leadership positions they held. Just as they influenced by their two-year stay at Young Harris, they, in turn, had a helping hand in the preparation of those who will reign next year. But the Faces of the 1982 graduates will remain Familiar to YHC.

THE BEAUTY OF YOUNG HARRIS

When a student is asked what attracted him or her to Young Harris College, the immediate answer is, "The mountains and the people." All mountains are gorgeous whether they are blooming with green, speckled with orange and

red, or covered in white. But there is something unique about our mountains which seclude us from the rest of the world. They serve as a form of protection for all of us who live here.

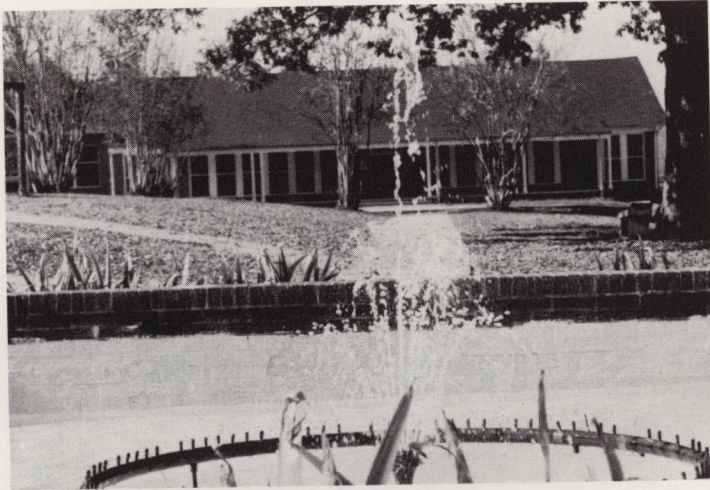

Life in these hills is slowpaced just as one would expect it to be. There is an air of tranquility not found at other colleges. With a new group of students coming in each year, one would think that this place would be rather unsettled, but its people and the valley have a hold on our lifestyles, and they quickly mold us to fit the pace.

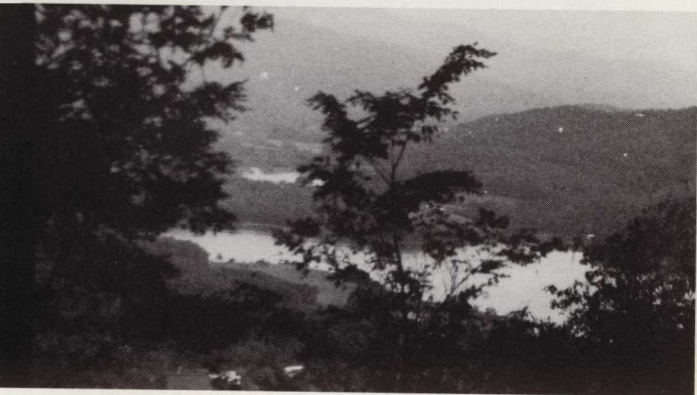

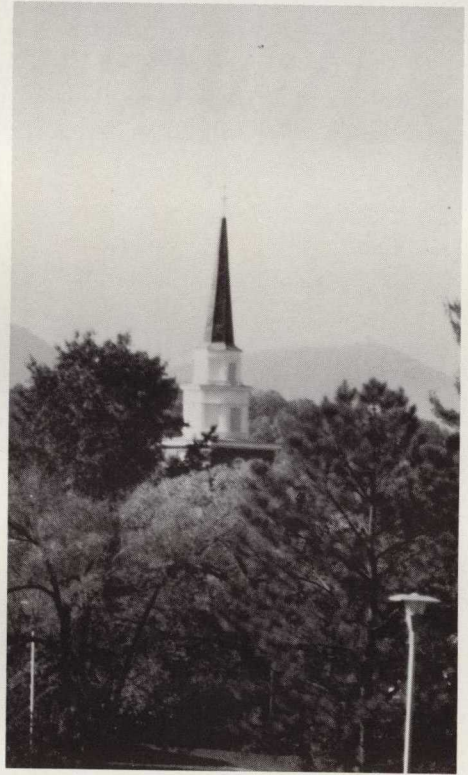

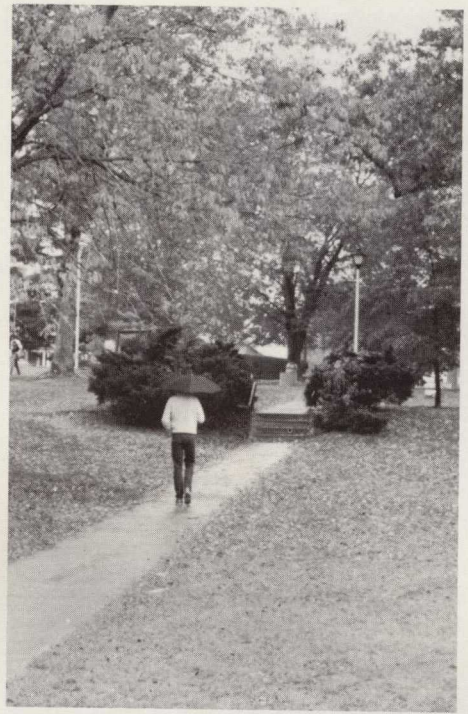

If one were to compare the physical matter that composes our North Georgia mountains with mountains throughout the country, these are, by far, much smaller; yet, they represent the people and faces of Young Harris. They

hold memories for all who cross them and enter this valley. For all our lives, YHC will be remembered as the school located in the rolling foothills of the Appalachian mountains.

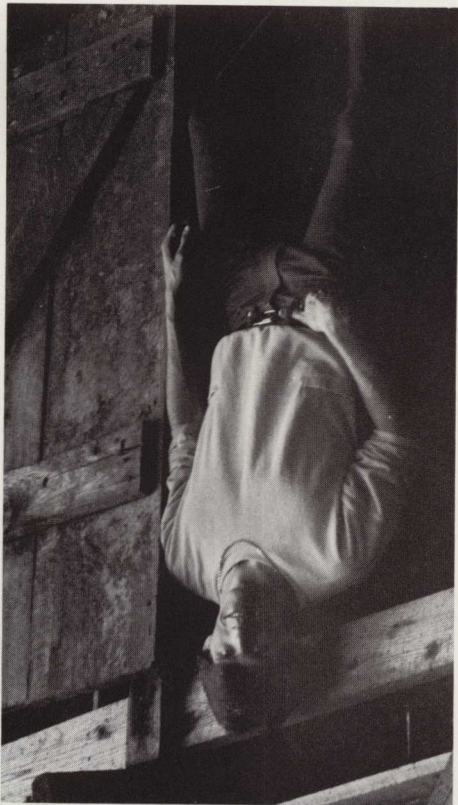

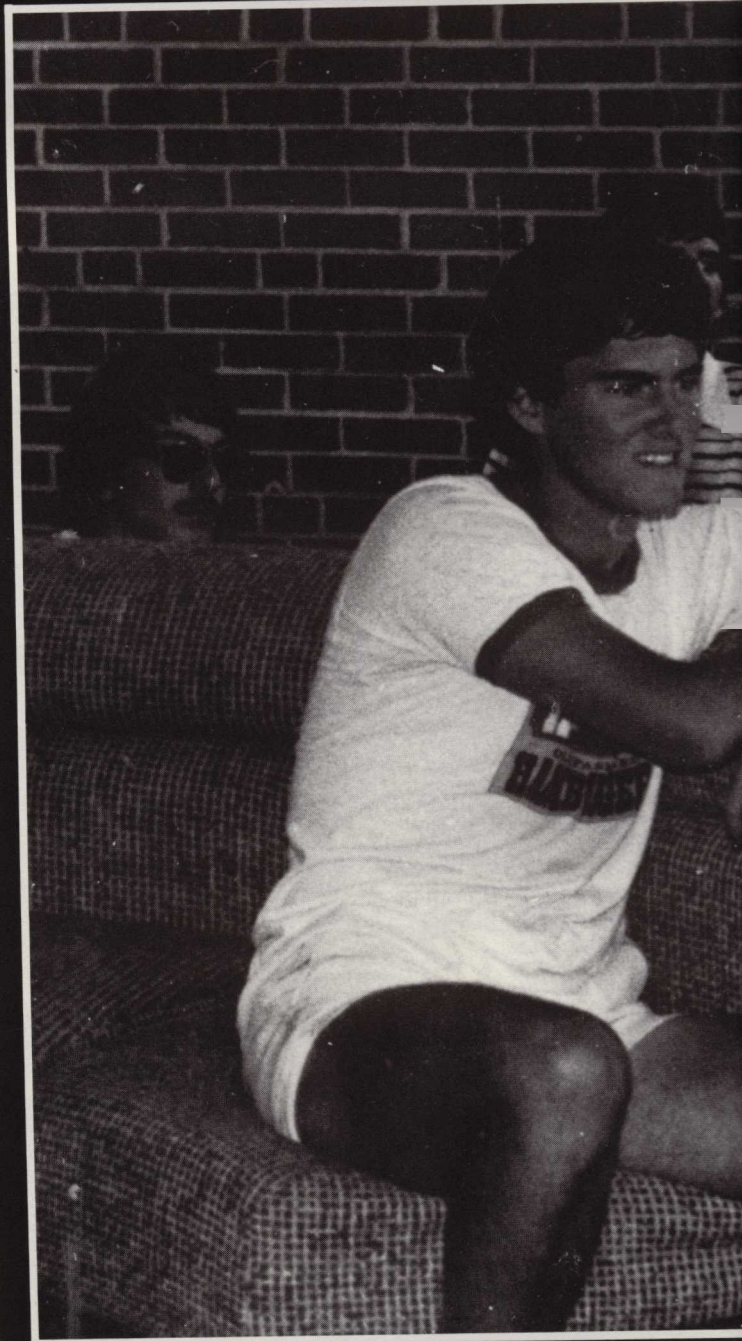

Young Harris College will also remain in our minds as the place where everlasting friendships were built. Our faces will be etched upon these

pages for a lifetime just as these mountains and Young Harris College will be etched upon our hearts.

NEW

ACES

At the beginning of the fall quarter all schools are showered with a new set of faces — freshmen. Young Harris is no different. They come wearing faces of confusion and full of questions. Throughout the year, these people add to every aspect of YHC. This year's class was no different. They are now prepared to become leaders for next year's New Faces.

FACES OF

The faculty and staff at Young Harris College are more than faces of guidance in the classroom. As members of the community and advisors to the many organizations on campus, these people become part of the everyday life of the students. They show their concern through involvement. They guide students through two years of beginnings, adjustments and ends. Although rarely acknowledged, these Faces Of Guidance are essential to the development of YHC.

FACES II

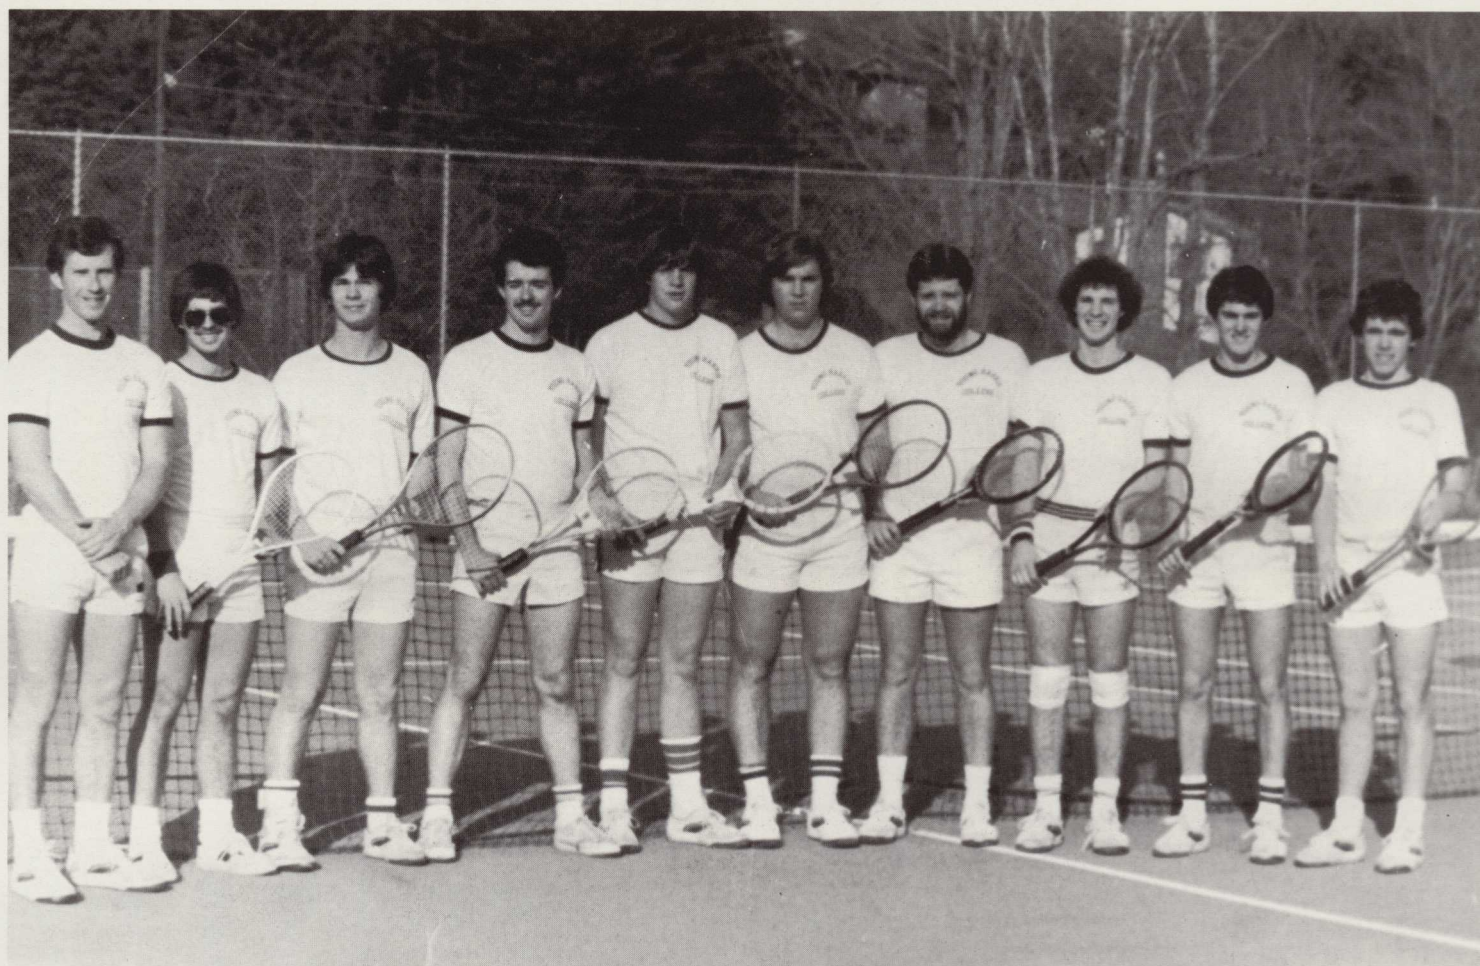

The list of possible activities available to the students of Young Harris are many and varied. There are the angelic faces that crowd the Hesed House which accommodates the many religious organizations. The Greeks, full of enthusiasm and expectations, keep the campus busy with service projects and intramural sports. The varied expressions that fill the drama department bring joy and tears to all who participate in and those who attend their productions. There are crowds to meet the needs and wants of all at YHC.

FACES IN

PLACES

Students of Young Harris College often find its location an inconvenience. The fast food chains and mom's pantry of home are not always readily available here. Yet, there are a few businesses that always have their doors open for the students. The ENOTAH greatly appreciates the support and encouragement of these places.

**A
FACE
IN
THE
CROWD**

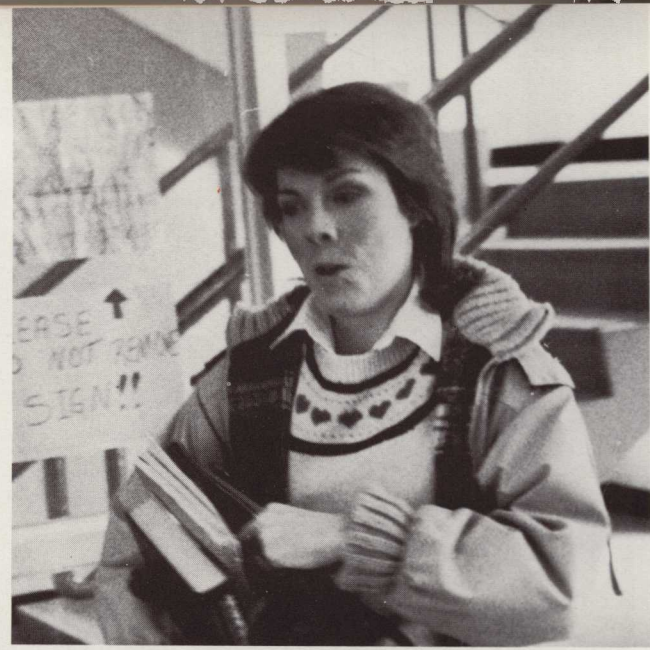

One must admit that the days spent at Young Harris College are pleasant ones to remember. This is not to say that there were not some "not-so-pleasant" experiences as well. How can one forget getting that first deficiency, arguing with a roommate over the most trivial of things, or waiting in the rain for the dining hall to open? But, hopefully, these pages hold memories that will be looked back upon with a smile and a sigh.

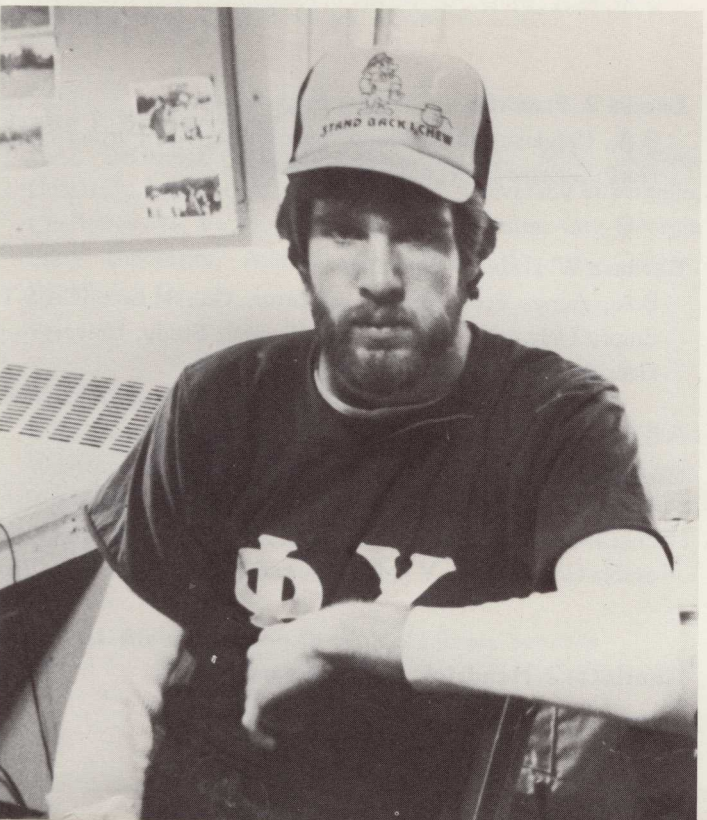

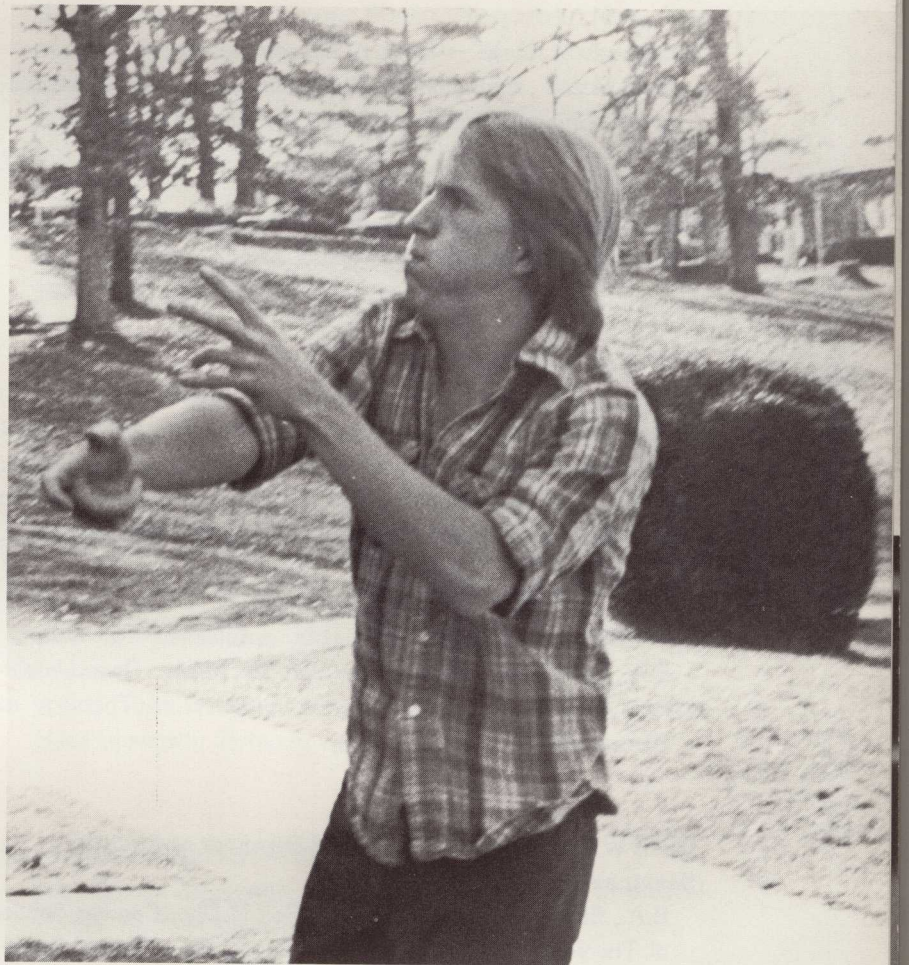

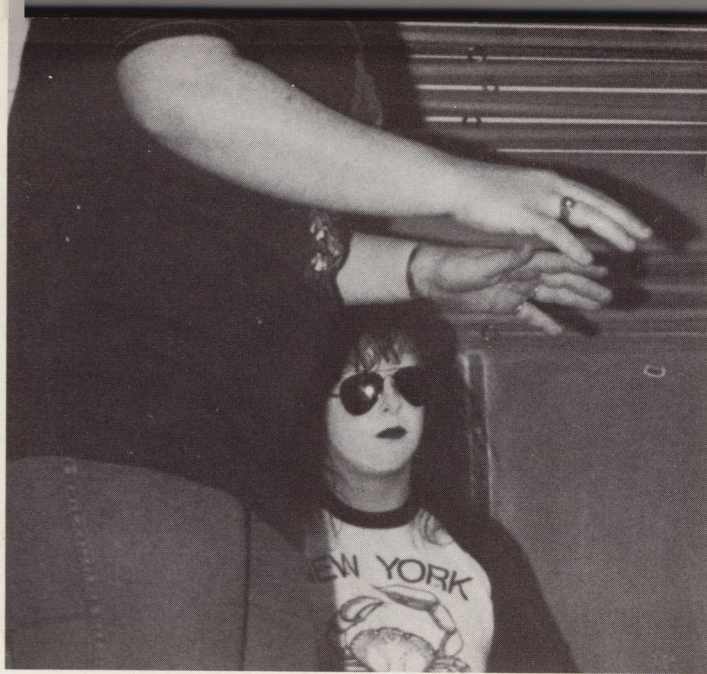

Remember the times spent studying (?) in the library, waiting anxiously for a class to begin, supporting YHC's intercollegiate sport — tennis, building igloos, and having snowball fights, attending the sometimes controversial but always enjoyable productions put on by the theatre department, trying to get in four required convos, entertaining prospective students, keeping the folks away from the teachers during Parent's Weekend, catching an extra forty winks before supper, hanging around the gym waiting for a game or practice to start, sitting on the wall or soaking up the afternoon sun.

And what about the quiet times spent with a special friend or sweetheart, sharing a secret, or solving a conflict. All these moments and many more have been frozen in time as they were printed on these pages. The ENOTAH has taken the privilege of taking bits and pieces of your days at Young Harris College and using them to fill a book full of memories to be shared and enjoyed for years to come.

With your help we have retraced the times and FACES of Young Harris College 1982.

From the first ice cream social after that treacherous day of moving in until that last goodbye in the parking lot, Young Harris has been "home." All those hours spent sunning on the wall or walking up to Cupid's are times that will never be forgotten. The

faculty members formed our part-time family and have helped us with many decisions that will influence the remainder of our lives. For years to come, YHC will be remembered for its warm friendships and smiling **FACES** that stood out in the crowd.

Upon glancing back over the finished pages, we heave a deep sigh of relief. The 1981-82 ENOTAH is finally laid to rest. All of the work and frustration that was put into this year's annual is at last seen as a worthwhile job.

There were many times when we felt that we had taken on a job too large for even the two of us to handle together. We approached this task as one would approach a dark tunnel. But luckily, we had a competent advisor, Louisa Franklin. This was her first year as advisor to the ENOTAH. She approached the task with enthusiasm and a bit of anxiety. Everything got off to a great start. We were organized to a tee and had an excited and capable staff.

Ruth Harris had the business end of the yearbook under control. Rhea Nichols sold more ads than any of us ever could have. Karen Holloway and Tracy Potts were always willing to do the often tedious but always necessary jobs such as setting up in the dining hall for this, that, and the other. Without the writing skills of Tim Norman, the copy for the opening section would have been virtually impossible. We were fortunate to have a great group of freshmen who were eager to learn and did a good job of what they were taught. The 1982-83 ENOTAH will be blessed with the experience of Brenda de Laet, Darla Harmon, Karen

Hill, Ginger Palmer and Theo Toth.

Of course, no annual is complete without good pictures. Good pictures are sometimes hard to get. There are always problems with the mechanics of photography, such as problems with the film, the development, or the camera itself. This year was no different from the others. But we were fortunate to have a fine staff of capable and dependable photographers. Evans, Jay Peck, John Hickson and Lamar Sudderth spent long hours in the darkroom. Konny King and Steve Trovare were always available when last minute pictures needed to be taken or retaken. A special thanks goes out to Nan Hankins and Ann Houghton. If it had not been for the dedication of these people, there would have been very few pictures in this book.

Without all those named above, all those who bought advertising space, and the endless list of those who encouraged us, this annual would have been impossible. We greatly appreciate everything that all of you have done. And Mrs. Franklin, you did a GREAT job. Thanks for sticking with us.

We hope all of you will have many years of pleasure looking back at the FACES that made Young Harris College 1981-82 what it is today.
