

SCRAP BOOK

1921-1922

Dear World,

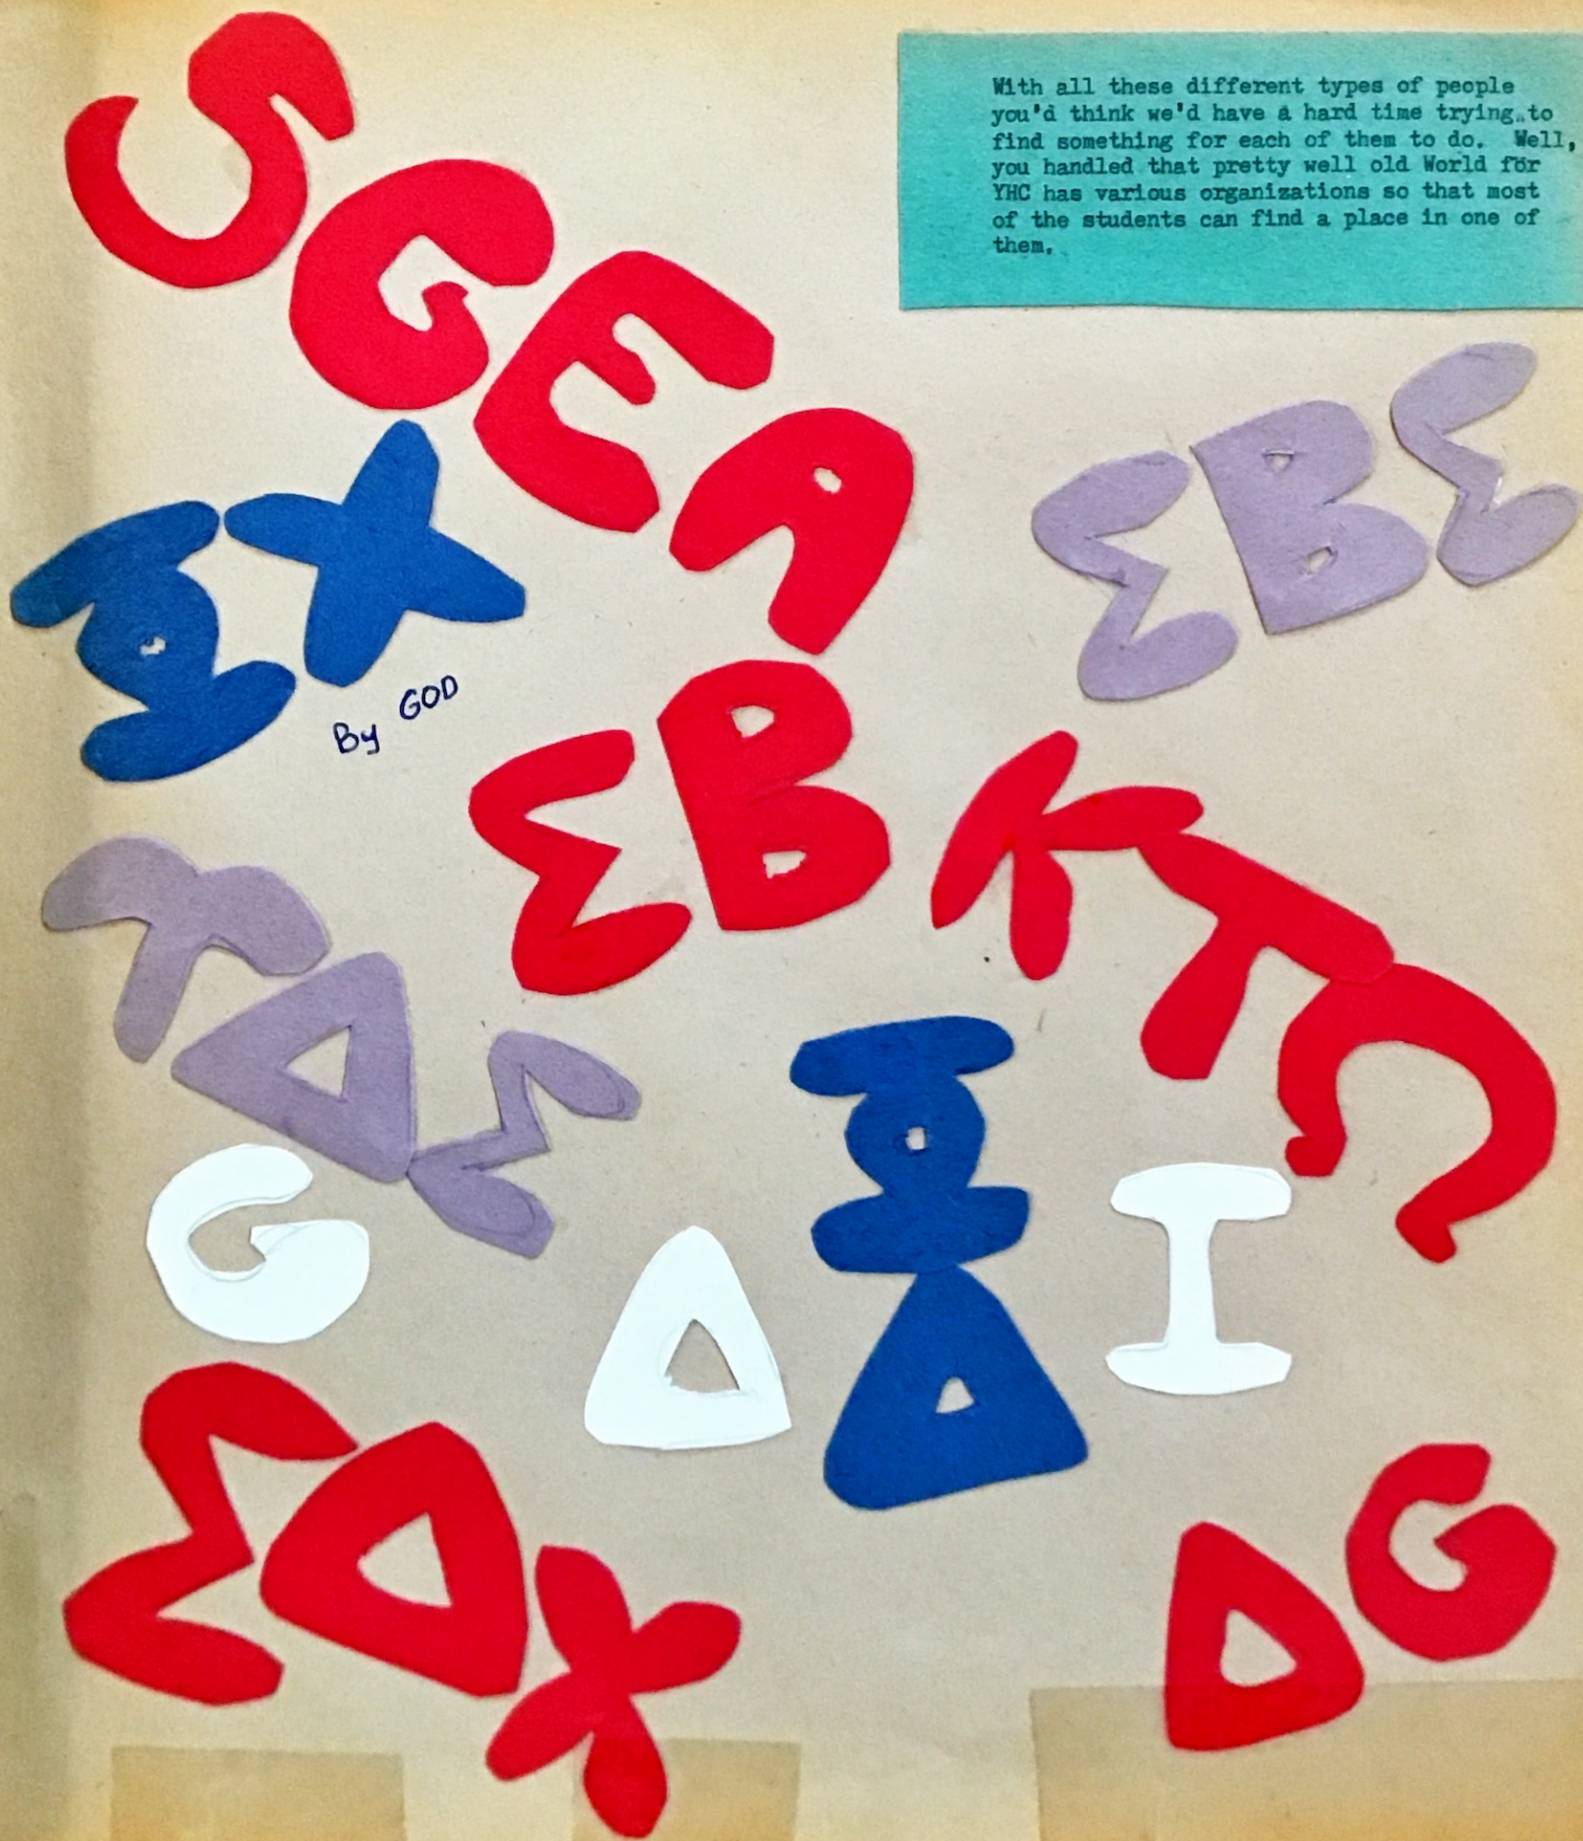

Because you've given me so much I just wanted to give you a little back in return. I suppose that in planning things all over you don't get much of a chance to look and see what you've created or done. I would like to show you one place, Young Harris College, and a few people who have walked there.

Student Senate - 1971-72.

is
People

With all these different types of people you'd think we'd have a hard time trying to find something for each of them to do. Well, you handled that pretty well old World for YHC has various organizations so that most of the students can find a place in one of them.

By GOD

These organizations compete against each other in many sports. Everything from football to rook. Even though competition may get "sticky" we know they LOVE it."

But even the girls get in on the "fun."
Who says "football isn't for girls?" Go
Carolyn! YEA WOMEN'S LIB!

Despite all the athletic competition, Young Harris does have its "quiet" moments, such as Vespers.

Joy is like the Rain.

"Ya'll look dead!"

Do Lord

Rise and Shine

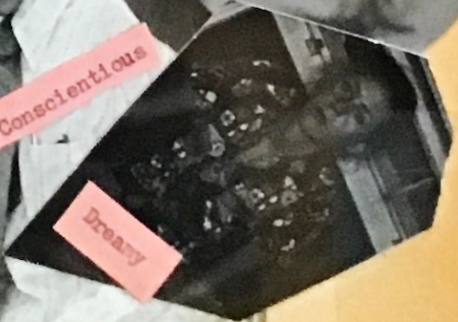

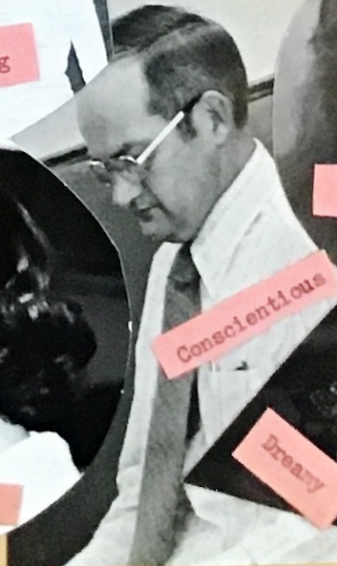

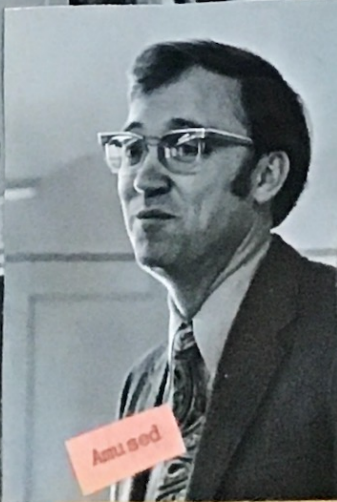

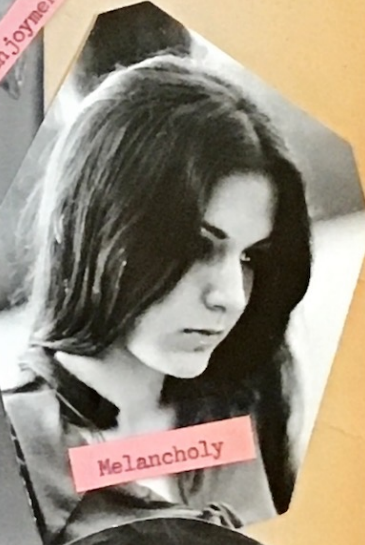

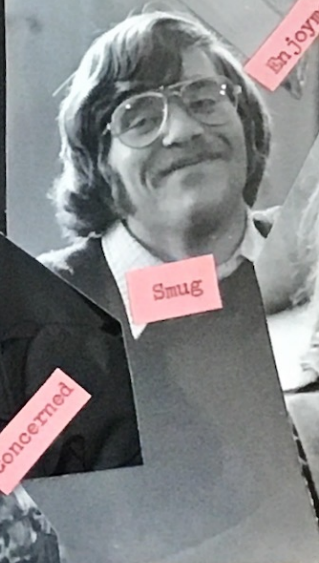

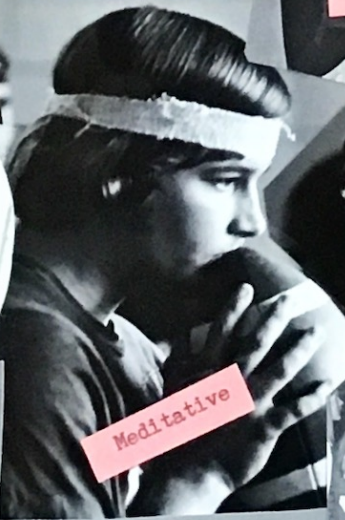

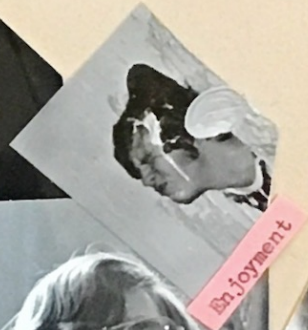

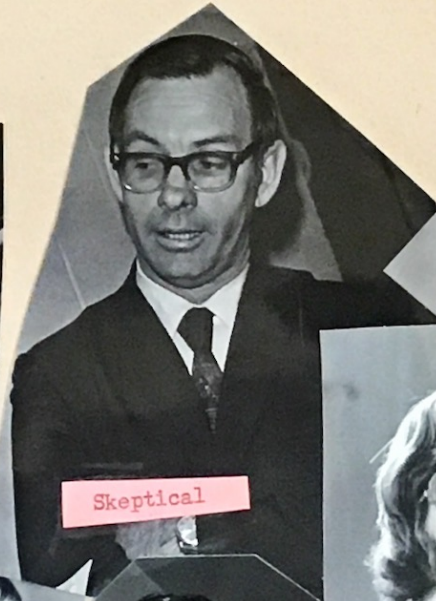

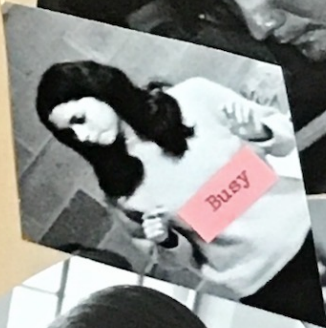

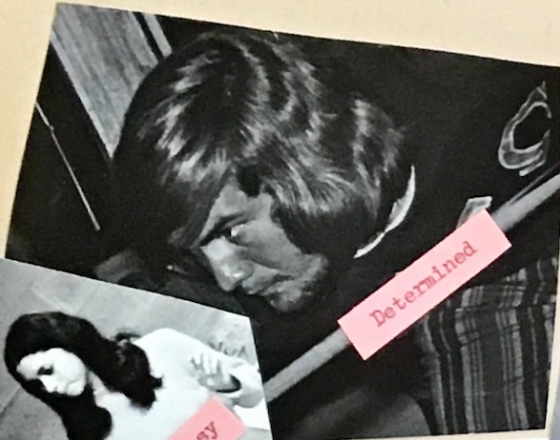

Don't forget prayer group!

Who wants to keep the nursery Sunday?
Don't everybody volunteer at once?

Do we have to sing "Today" again?

People That Are

Then, World, Young Harris has her "less" quiet moments. In case, you find it difficult to understand what they are doing, it is a popular sport held primarily during Spring Quarter. It is affectionately referred to by the students as a "Water Battle."

The Spats are preparing for the great battle.

Don't fight it Suzanne!

Ready! Aim! Fire!

Yes, this is one sport in which everyone gets a chance to play.

Then we have those "few and far between" moments
called..... SLEEP!

Another "special" moment in the life of a Young Harris student.....eating! A process carried out with a lot of general dissent, but yet they always come back for more!

Then we have those "rare" moments called studying.

There is one group of people on campus who are strictly for the students, and that is the Student Senate. Each year the Student Body elects 10 boys and 10 girls to represent them, in addition to the four main officers. This year the Student Senate has done a fine job. Even you would be proud, World.

Roy Stamey, President

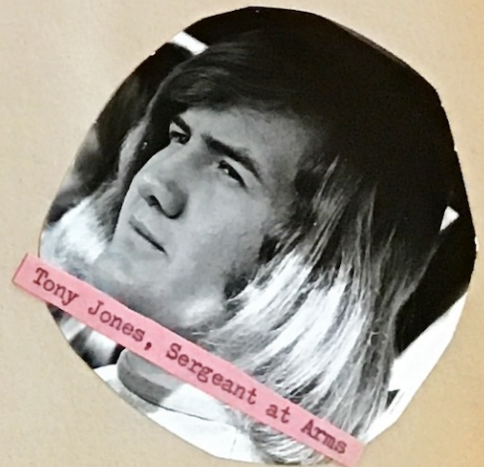

Bridget Malcolm, Secretary-Treasurer

Student Senate 1971-72

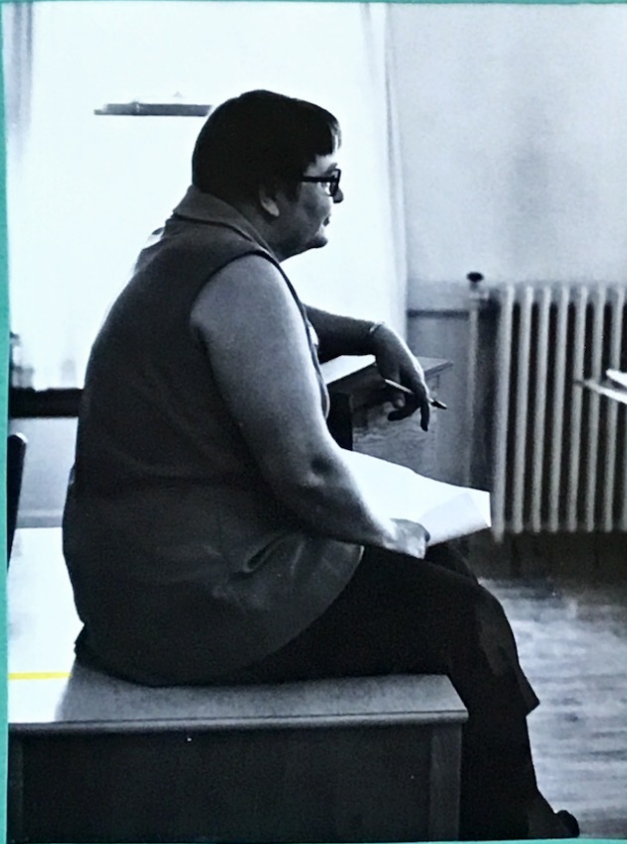

Frank Veal, Vice-President

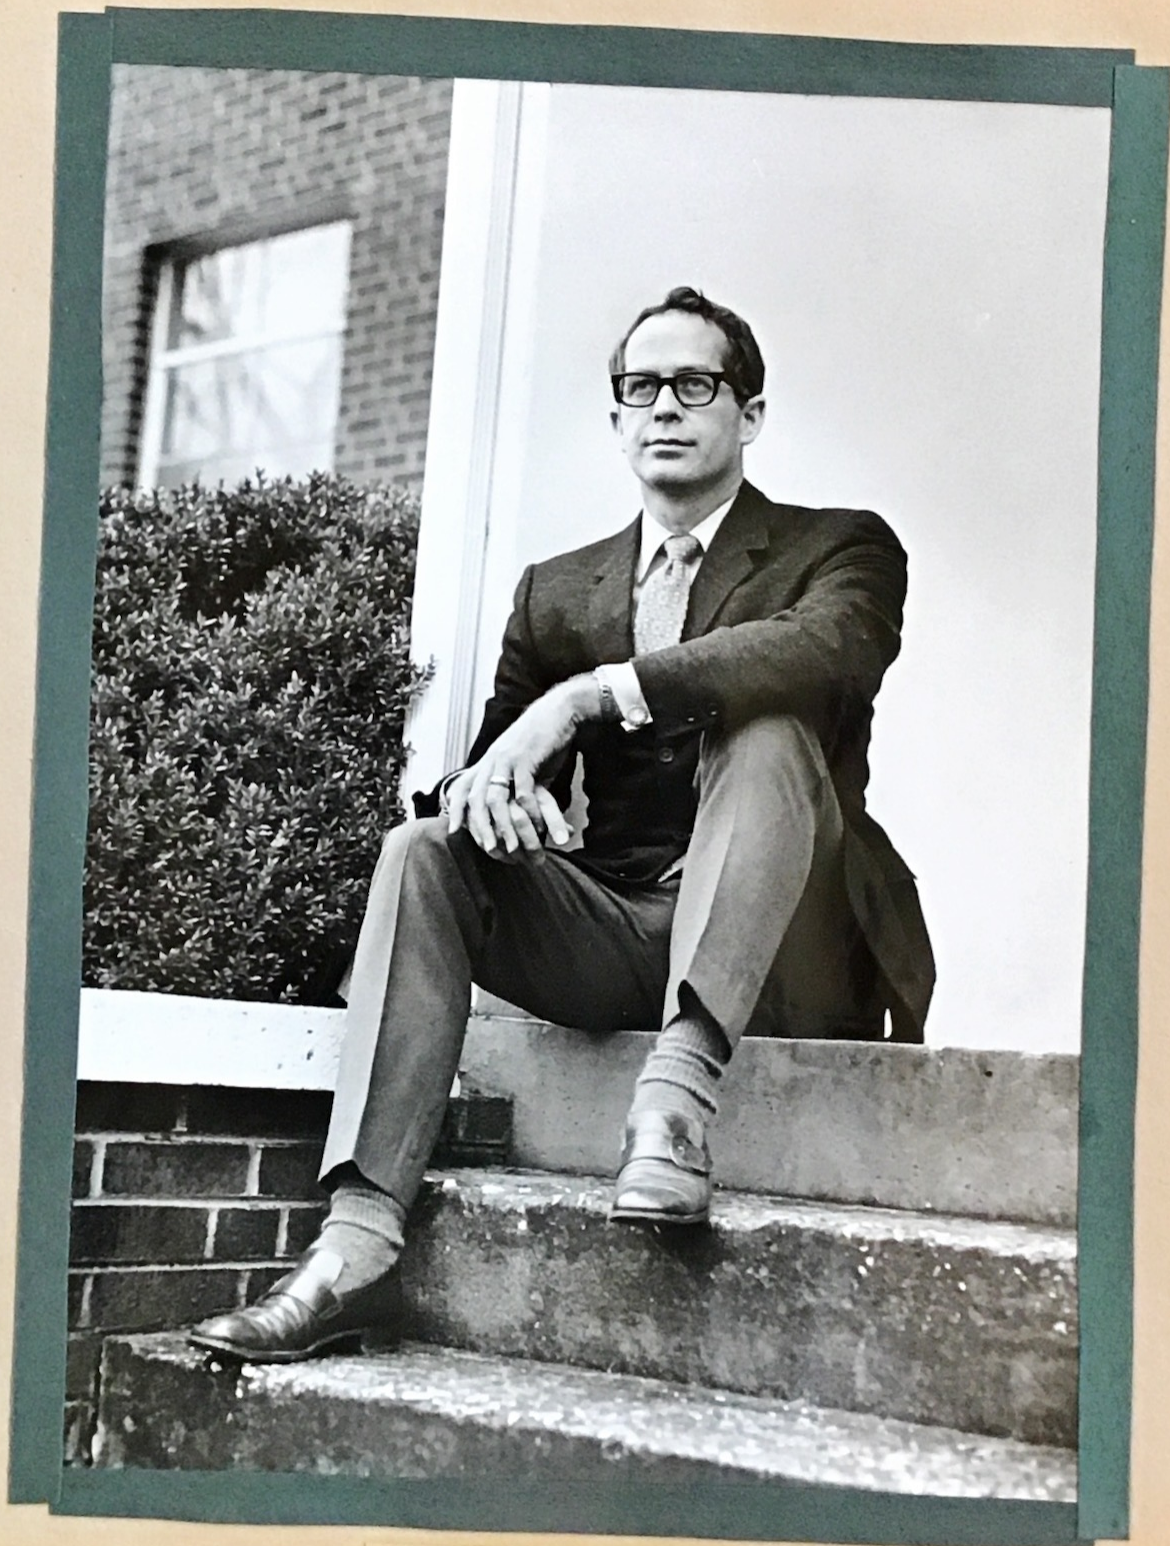

Tony Jones, Sergeant at Arms

Well, World this is the person who helps the
Student Senate . We are very grateful to her.

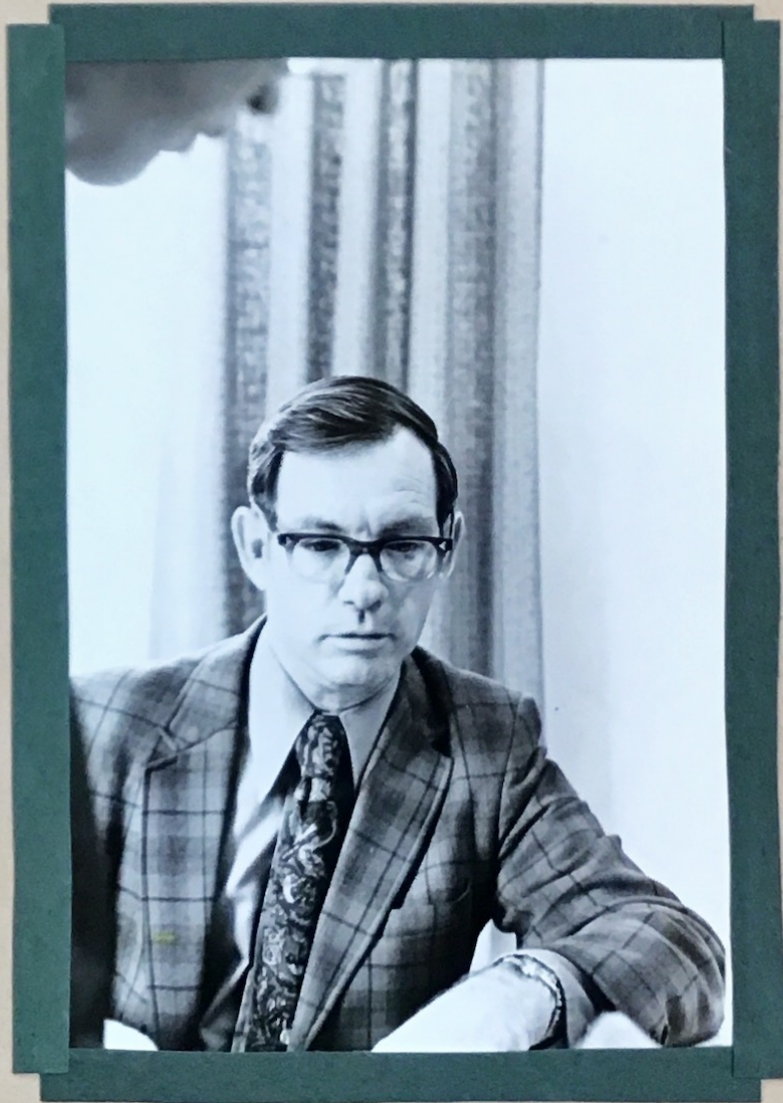

Mrs. Ezra Sellers-
Student Senate Sponsor-
Also a Lit. teacher, an inspiring
individual and just a lovely person.

This man, World, is the President and the Dean of the College.
He has worked long and hard for all of us this year and we
would just like to commend him for a job well done.

Our President, Ray Farley.

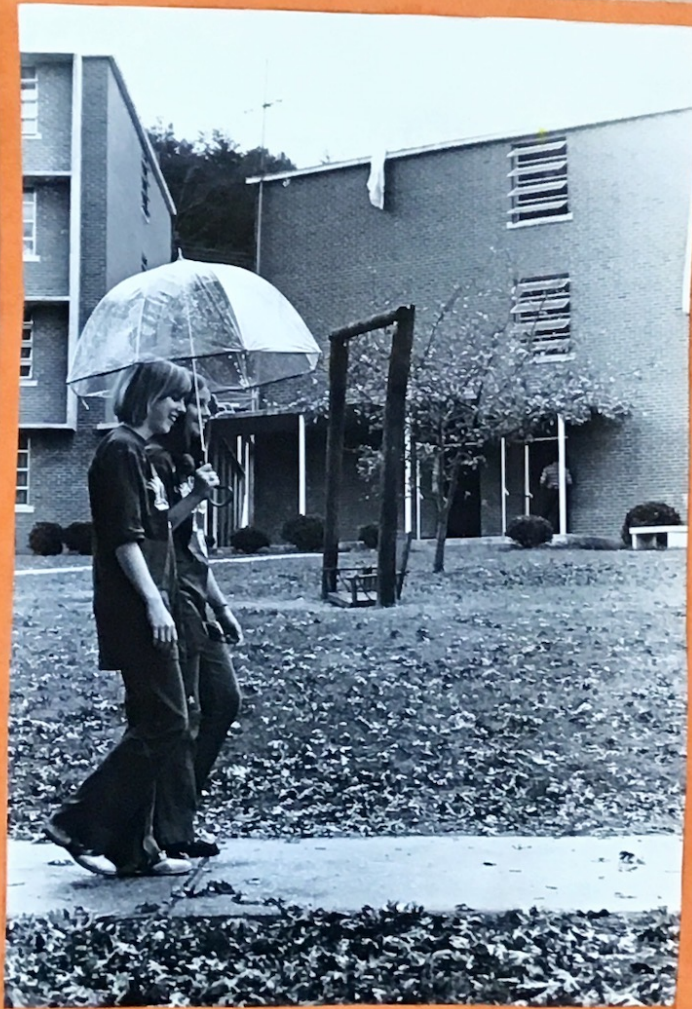

This man, World, is a Methodist minister, teacher of religion, and Dean of Students. He, too has worked hard for the students and his hard work is also appreciated. This man goes by the name "Rabbi" here at Young Harris--I know, very odd for a Methodist minister.

Cecil Page, Dean of Students

It seems like a nice place doesn't it World?
Well, You should know! But, there's just one
"little" thing, not that I'm complaining or
anything like that but it's a small matter of
the weather. We would just like to know if we
could perhaps have a little less of this?

.....

And a lot more of this!

Young Harris holds a lot for many people, but it is not prejudiced in the way of age. For all ages have a place at Young Harris, the young and the old. It was created for the young, but it is the old that we hold responsible for its creation.

As we came to Young Harris one of the first things we saw was the mountains and as is only fitting it is the last thing you see as you leave..... We came desiring knowledge, we left realizing how much we had to learn.

World, Young Harris is all these things and much more.
