DEDICATION

We, the Staff of the 1955 ENOTAH, wish to express our grateful praise and appreciation to you, Dr. and Mrs. Smith, for your deep and sincere interest in the college and its students. Through your untiring efforts and spiritual leadership, you have instilled within our hearts a faith and confidence that will go with us through the many years ahead.

For your devotion to the school, for your interest in the students, and for your inspiring guidance, we dedicate this '55 ENOTAH to you,

DR. AND MRS. W. THOMAS SMITH

IN MEMORIAM

On Sunday, March 7, 1954, in Emory University Hospital, Professor W. S. Mann passed away. "Fessor Mann," as he was called, had served Young Harris College with his time, efforts, and devotion for many years. He has given more time to the College than any person now alive.

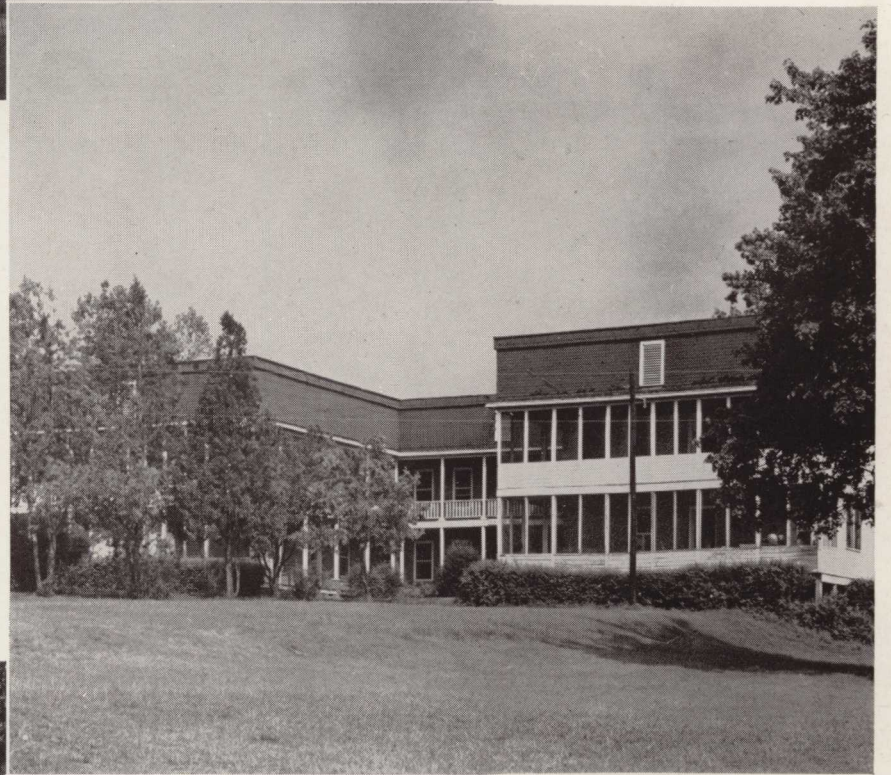

Though he is no longer with us, his memory lives and shall continue to live through the years. "They are not dead whose memory lives. They all must live on."

Miss Lura Harrison is shown presenting Professor Mann with a cake on his eighty-seventh birthday.

IN APPRECIATION...

MR. AND MRS. WALTER L. DOWNS . . .

Certainly the year 1942 is outstanding in the history of Young Harris College for that was the year that Mr. and Mrs. Downs became a part of our college life. Even more significant is the year 1947 when Mr. Downs accepted the presidency of the college, a position which he held for three years. During these three short years, we saw many changes on the campus—Sharp Memorial Church, the Pruitt-Barrett Building, and the parsonage all became a reality. In 1950 Mr. Downs again assumed his teaching duties and served in this capacity until May 1954.

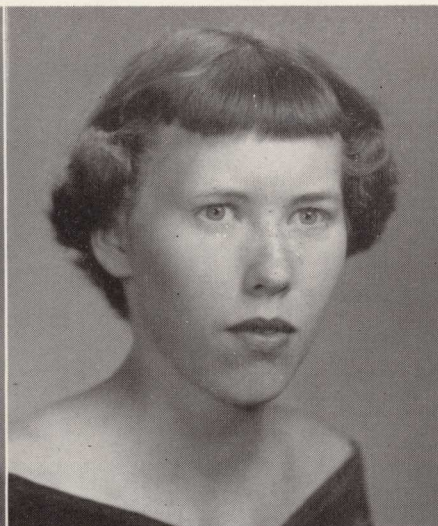

Mrs. Downs also gave unselfishly of her time and talents to the College. In addition to teaching piano and voice, she served as accompanist for and director of the choir.

Throughout your lives, Mr. and Mrs. Downs, you have been a great and powerful influence. In appreciation of your high ideals and your unselfish devotion of time and talents to Young Harris College, we, the staff of the '55 ENOTAH, dedicate this page to you.

The Future Teachers of America movement grew out of the Horace Mann Centennial which was held in 1937. It is carried on as a co-operative project by the N. E. The Phi Delta and Phi Chi Literary Societies—brother and sister societies—though organized over a half century ago, today play an important role in campus activities. Members of both societies endeavor to improve themselves in the art of elocution, debating, and extemporaneous speaking, to better prepare themselves for the future exigencies of life, and to benefit each other by the associations that such societies afford. Membership is on a voluntary pledge basis, open to any student enrolled over a six weeks' period.

GA. STATE JR. COLLEGE TOURNAMENT

The Young Harris Mountain Lions of 1954-55 brought another highly successful season to a close with a total of 19 wins against only 6 losses. During the regular season, the Lions compiled a total of 2,179 points for the outstanding average of 87.1 points per game.

The individual scoring honors were held by J. B. Bearden, Ralph Johnson, and John Adcock. Bearden, a newcomer to this year's squad, scored a total of 486 points for an average of 19.4 points per game. Johnson scored a total of 376 points for a 15-point average, while Adcock hit for a total of 273 points for an average of 13.1 points per game.

The ENOTAH would like to give special recognition to the two players who have played their last season at Young Harris College. For their untiring efforts and outstanding contributions to the success of the Mountain Lions, we recognize Ralph Johnson, Captain and second high scorer of this year's team, and Bill Bowen, who played splendid ball from his forward position, averaging 9.2 points per game.

J. B. Bearden goes after that ball!

John Adcock scores again for the Lions.

"Who's gonna win, win now? . . . We're gonna win, win !!!"

The ENOTAH especially salutes these two players for their fine records and congratulates the whole team for the high sportsmanship prevalent in all contests both at home and away.

The Hellenic Gymnasium in Savannah, Georgia, was the scene of the State Junior College Basketball Tournament held February 23-26. The Mountain Lions played splendid ball throughout the contests but were nosed out in the finals by powerful Brewton Parker.

In the first game of the tournament against Southern Tech, Ralph Johnson and Jarrell Underwood led the Lions to an easy 95-78 victory. In the semi-finals YHC walked away from West Georgia, winning by a score of 113-54. John Adcock led the scoring with 29 points.

In a nip and tuck battle for the State Championship, the Lions finally yielded to the Blue Barons of Brewton Parker by a score of 81-85.

For their outstanding performances throughout the tournament, Ralph Johnson and J. B. Bearden were chosen "All State."

Bill Bowen scores against Brewton Parker Junior College.

"Boy scouts"

Spring is in the air, and everyone is about to leave via truck for a wonderful experience atop Brasstown Bald, Georgia's highest peak.

VESPER SERVICE ATOP BALD MOUNTAIN..

A TRUE MOUNTAIN-TOP
EXPERIENCE

As the sun sinks in the west, the College Choir leads the entire group in the singing of "Go Tell It on the Mountain" and Malotte's "Lord's Prayer."

The vesper service atop Brasstown Bald is one of the year's highlights and is, to everyone present, one of those never-to-be-forgotten "mountain-top" experiences.

EDITOR'S NOTE

"The spirit of Young Harris College" presents to you—the students, faculty, and friends of Y. H. C.—this '55 ENOTAH.

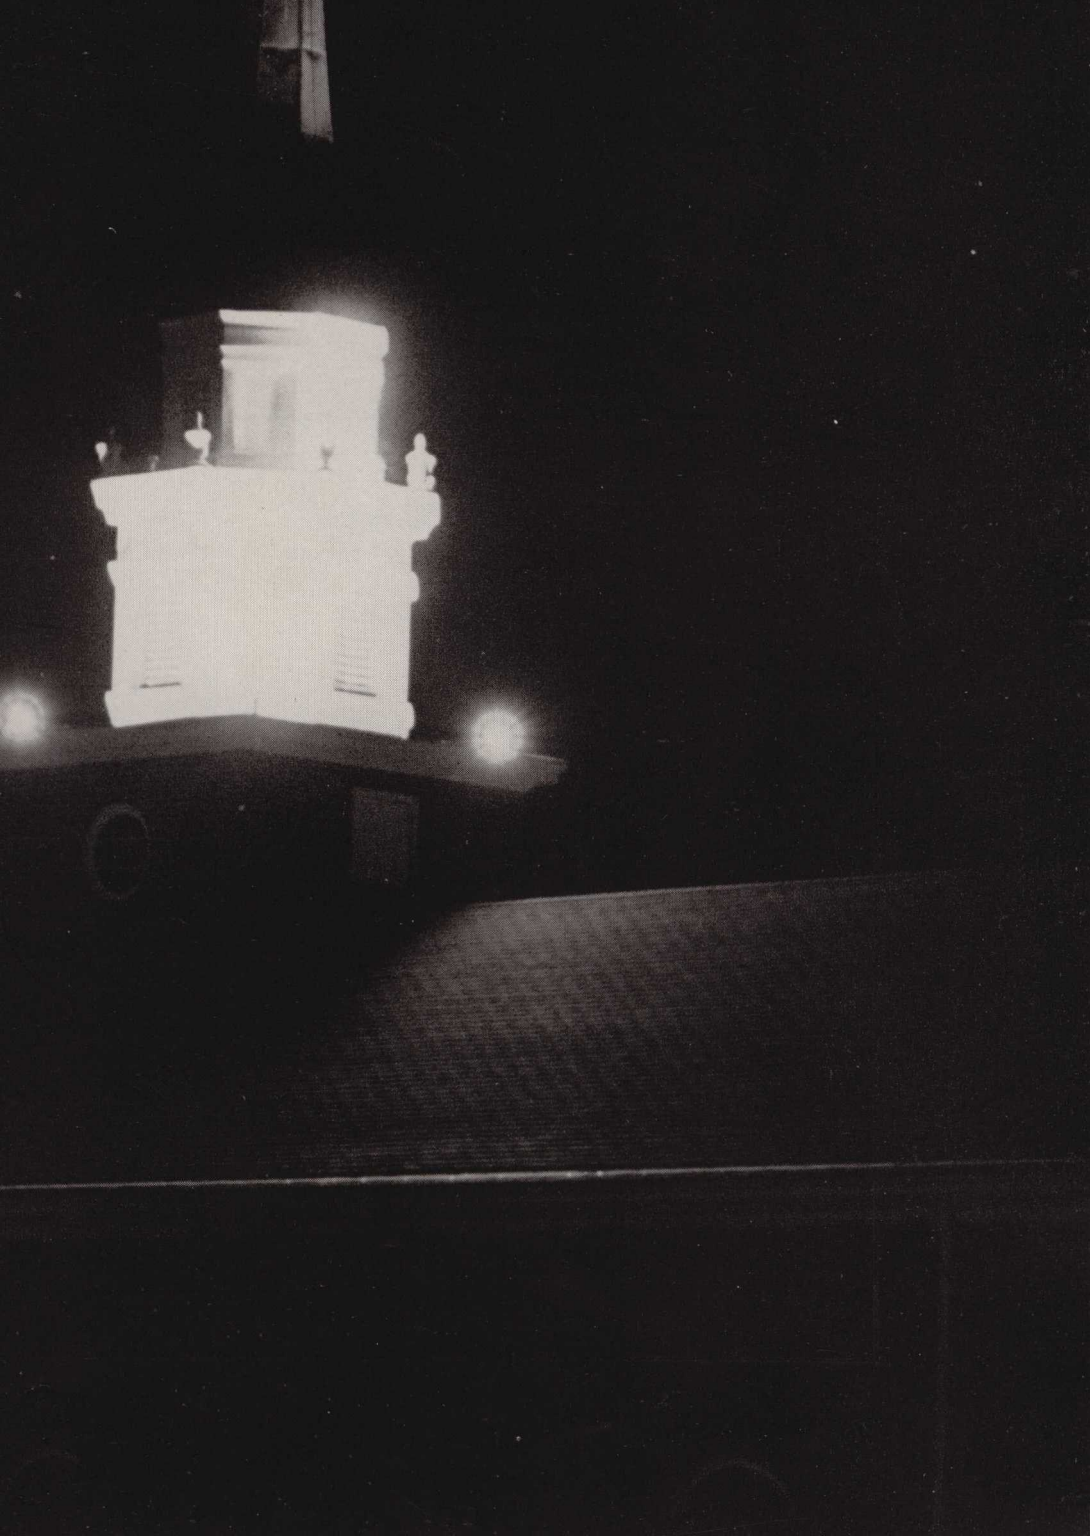

The purpose of this Annual is to preserve for your later pleasure something of the spirit of Y. H. C. and to give a pictorial record of the events which have made the past year memorable to all of us. We hope that this year's Annual is a success.

Everyone will not be pleased with every feature of the ENOTAH. Human nature just does not work that way. In a book of this size it is impossible to avoid making errors. A great deal of hard work and many long hours have been put into this publication, but we are not complaining of the hard work and many long hours. Before you make your criticisms of the ENOTAH, consider the cooperation you have given us.

To the innumerable people who have made this publication a success, I would like to say a big "THANK YOU!" It is impossible to list all of those who have done so much to make this Annual a reality.

This is your ENOTAH! Look at it! Read it! I hope you enjoy it!

Sincerely,
Rebecca Anne Vaughn,
Editor
